Men Must Wait Their Turn.
A man who is drafted cannot be sent to the national army before his turn comes, according to advice received by the local board from Adjutant General White in the case of James N. Watkinson of Pendleton who was drawn No. 121 but who desired to be numbered among the first 41 to 50. The regulations are such that he must wait his turn or else enlist in some other branch of the service.

The Christiane, an American bark was destroyed off the Azores Aug. 7, Capt. C. M. Crooks was taken aboard the German submarine, commanded by Captain Eyring, who it is believed was the second officer in command of the Deutschland when she came to the United States. He gave Captain Crooks the receipt here shown for the vessel at the same time remarking he did not like to sink American vessels.
The following is a free hand translation of the receipt:
Capture.
The formerly in Finland belonging but now (and since March 17, under the American flag, sailing vessel Christiane was captured today as an enemy vessel. At sea Aug. 5, 1917.
The signature of Captain Eyring is followed by his rank as captain lieutenant. The submarine is designated as X. In the lower left hand corner is the seal of the submarine flotilla.

HELPS HOOVER IN CAMPAIGN TO SAVE AMERICAN FOOD.

MISS CATHERINE J. MACKAY

Miss Catherine J. MacKay, president of the American Home Economics Association, and dean of the division of home economics in the Iowa State College of Agriculture, has become a member of the advisory committee on home economics in the campaign Herbert C. Hoover, the food administrator, is waging to get American women to save food. She asks them to save by careful buying, proper cooking and sane eating.
Choice steers at \$16.75 will obviously not be our choice these wheatless meatless days.

EX-EMPEROR OF RUSSIA AND FAMILY

ROYAL PRISONERS OF RUSSIA

Nicholas Romanoff, formerly Nicholas II, emperor of all the Russias, photographed with his daughters in the garden of the Tsar's house in the city of the Tsar's house, where he and his family were held prisoners by the revolutionists government until recently, when removed to Siberia. The children of the ex-emperor are always lively and indulge in noisy games, in which the grand duchess took shares, despite her twenty-two years.

O.W.R. & N. BAND TO BE HERE FOR ALL THREE DAYS

Again President Farrell of the O. W. R. & N., shows that he has the interest of Pendleton and the Round-Up at heart and is a great booster. This year he is going to give the Round-up the famous O. W. R. & N. band, not only for one day, but for the entire three days. They will be up here in their natty uniforms on Thursday morning and will take their place along with the other bands for the three days.

This makes six bands for the Round-Up this year. And there will be plenty of music. There will be four bands for all three days and five for Friday and six for Saturday. The La Grande Elks band will be here on Wednesday night; the Canyon band will come in Thursday morning; the North Powder band on Friday morning and the Baker band on Saturday morning. With the famous cowboy band of Pendleton this makes six bands for Saturday.

There will be plenty of use for all of them this year for there is going to be music every where and all the time. It will take music and lots of it to keep the enormous crowd moving and in good spirits.

POW-WOW SCANDAL

HOW'DE PENDLETON, here's a HANDSHAKE across the line.

JUST A little space to TELL YOU that Walla Walla SENT 3000 people to your GREAT ROUND-UP last year AND THAT we'll again BE THERE with bells.

ALSO THAT Walla Walla is DOING SOMETHING in the SHOW LINE herself this year AND WANTS Pendleton to KNOW IT and come over.

WALLA WALLA'S show is called PIONEER POW-WOW, so named BECAUSE SCORES of the brave, HARDY, PEOPLE who settled THIS GREAT bread-basket of THE WEST are coming back TO GREET old friends and TELL NEWCOMERS of a few of THE HARDSHIPS as well as THE DELIGHTS of early DAY LIVING. In honor OF THIS getting together OF PIONEERS who braved EVERYTHING to help MAKE THIS country what IT IS TODAY, Walla Walla IS GIVING us show. There WILL BE daring cowpunchers WHO MAKE their living on BIG RANCHES, cowgirls WHO RIDE equally as well AS THE MEN; Indians from SEVERAL TRIBES dressed IN GAYEST and also SCANTIEST CLOTHING to be FOUND. WILD horses and WILDER STEERS—there are MEXICAN LONGHORNS and bear THE SAME relation to an ORDINARY STEER that a RED HOT TAMALES does to OATMEAL MUSH. These steers GREW UP with an inherited HATRED FOR anything in pants. POOR COWBOYS who helped ESCORT THEM North from TEXAS WIRED ahead that THEY WANTED their money the MINUTE THEY got here, for "ENOUGH is a sufficiency." AS ONE man said, imagine TURNING ONE of these four-LEGGED CYCLOPS loose in AN ARENA and bulldogging IT. THREE chances out of five THE STEER will bulldog THE COWBOY. George Drumbeller, WHO WILL furnish 25 wild HOSERS FOR the Pendleton ROUND-UP, says that he has SOME WICKED buickers for the PIONEER Pow-wow. Come and SEE THEM in action. The DATES ARE Sept. 13, 14, 15—THURSDAY, Friday, Saturday. I THANK YOU.
