**"WRATH OF LOVE"**  
**STAR NAMES GOWNS**  
 Virginia Pearson Has Christening Party Every Time She Adds to Her Wardrobe; Pastime Today.

Virginia Pearson's gowns, which which she has never gone to the trouble of counting, have been a great source of trouble as well as delight to her. The trouble has been greatest when the drift of events causes a change of maid.  
 The famous William Fox star, now appearing in "Wrath of Love," never knew how essential experience is in a maid until she tried to get a new one to bring her a certain gown. Now that Miss Pearson's present maid has been with her for some time she is personally acquainted with every one of the innumerable gowns in the star's wardrobe.  
 Jack Pickford and Louise Huff in "What Money Can't Buy" and "Good Vaudeville at Alta Friday and Saturday."  
 Jack Pickford plays the part of Dick Hale and Louise Huff that of Princess Irenda in a splendid story of love, romance and adventure, that reaches from New York to Maritzia and from the running of a transcontinental railroad to the courtship of a princess with all the wrath of an angry king to make good comedy.  
 The vaudeville is of the highest

**Hard Colds**—People whose blood is pure are not nearly so likely to take hard colds as are others. Hood's Sarsaparilla makes the blood pure; and this great medicine recovers the system after a cold as no other medicine does. Take Hood's.

**Head Consul Visits WOODMAN CAMP; LARGE CLASS IS INITIATED**  
 Pendleton Camp, Woodmen of the World last evening received an official visit from L. I. Roak, head consul of the order, the first he has paid here in three years. His visit was made the occasion of the initiation of a class of 23 candidates and there was a large attendance out. So pleased was the head consul with the showing made in securing new members during the vacation season that he authorized District Manager John Hoyt to continue his campaign here for another two weeks.  
 Head Consul Roak brought a message of patriotism to the local camp. He declared it was the duty of the members of the order at home to bear the burden of maintaining members who have gone to the front. The order is already committed to this policy. An another evidence of the patriotism of the order, he cited the fact that the Woodmen of the World was the first order to subscribe to the Liberty Loan Fund.  
 The order now has a surplus of \$3,500,000, he said and constantly growing so that more than ever it deserves its title of "Giant of the West."

**RANGE FEED NEAR BAKER PLAYED OUT**  
 Eagle Valley Flocks Brought to Pasture on Cut Hay Fields.  
 BAKER, Sept. 14.—Cattlemen in the Eagle valley district have already begun to bring their stock down from the ranges and are pasturing them on the cut hay fields. So long was the drought that the ranges have given out early.  
 Hope is felt by some that a heavy rain that fell generally all over the county last night will revive the parched grass, but it is generally believed that this benefit will be negligible. The rainfall of last night was 29 of an inch, which it is thought has put an effectual stop to all forest fires.
