Ely had issued a call for a mass convention of democrats to be held at Kennett next Saturday to condemn the course pursued by the two Missouri senators, and to ask them to re-

Eaton, Ill.—"I wish you would pub-lish this letter for the benefit of young lish this letter for the benefit of young girls. My daughter suffered greatly from female trouble with cramps, and headsche, and backsche most of the time. She never felt like working and it seemed as though she was sick all the time. I decided to try Lydia E. Pinkham's Vegetable Compound and it has helped her in every way, in fact it has really cured her, for she no longer has periodic pains, and no more headsches or backsche, and I want all young girls who suffer as she did to know about it."

Another Girl's Experience.

New Cautle, Ind.—'From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be easy a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more and I am regular every month.'—Mrs. Hazel Hamilton, 822 South 15th St. Newcastle, Ind. At the end of the first relay, her horse overran its station and, as she was returning to her fresh mount, she was struck squarely by this horse of Jusephine Sherry and knocked senseless. She was carried away to the hospital tent and later in the day was brought back, very pale and shaken but game. Her reappearance was greeted with many cheers.
