PENDLETON'S GREATEST DEPARTMENT STORE

Headquarters for the Headliners in Fall Styles

THE Fall clothing caste is now on our boards, a big company of all-star GRIFFON GARMENTS.

They're here to prove their hardy workmanship by hard wear and hard-headed buyers.

There's "pep" and personality in the styling; there's "custom" tailor cunning in the fitting; there's sturday, all-wool QUALITY in the fabrics.

These are the clothes that keep our customers in the forefront of Fashion. Right now they're giving that early look to the men who are first in everything.
