Cosy Thursday and Friday.
Starting today at the Cosy Fatty Arbuckle in "Rough House," the latest and by critics said to be the best Arbuckle comedy yet produced. The many ludicrous situations that Fatty gets into will keep you in a continuous roar of laughter and the ending is so extremely comical that we advise all to have extra buttons sewed on their trousers. The Butterfly feature in addition to the Arbuckle comedy is in five reels and features Francis Ford and is a picture we can recommend.

CHINESE DIVISION IN FRANCE BY JAN. 1

Government's Plan if Equipment Can Be Had—Premier Favors 300,000.

PEKING, Sept. 27.—The president and the cabinet have agreed to the plan of sending a trial division of 24,000 Chinese soldiers to France if money, equipment and shipping are available. The entente allies have approved the proposition and France is eager to receive the contingent. The Chinese probably could reach France by January 1. Many fairly trained soldiers are immediately available for the expedition. The premier is in favor of sending 300,000 men, and the provincial authorities are heartily in support of the plan in the event that the Canton provisional government gives its approval of the war with Germany.

MILK PRICES WILL ADVANCE

Seattle Dealers Expect 20 Cents a Quart by Christmas.

SEATTLE, Sept. 27.—Milk dealers said today that the retail price of milk in Seattle would jump to 14 cents a quart within the next 30 days. The present price is 10 to 12 cents. Dealers predict 20-cent milk by Christmas. Increase in cost of production to the farmer and in cost of distribution to the dealer are given as the reason for the higher price.
