

Theres Style and 'Class' it the Suits We're Showing

They have that distinctive look, so much sought after by women who would be well dressed.

It's hard to say just what details cause this attractive appearance, but it's the assembling of certain original style touches with all-wool fabrics correctly made and correctly fitted.

And right here, let us say, while we are on the subject of fittings, that this is the crowning feature of our superior garment section. A beautiful suit improperly fitted to your figure, has entirely lost its value and no such adverse advertising ever leaves our store, for even if YOU were satisfied WE would not be.

Courteous and efficient service to our customers is our motto.

You'll find our prices to be just a little less always, quality considered than other stores will offer you.

WRESTLING MAY HAVE PLACE IN P. H. S. SPORTS

CLASSES TO BE ORGANIZED SOON BY PAUL AMORT, NEW INSTRUCTOR-CHAMPION.

Wrestling may take a prominent place in High School athletics this year, following the announcement made yesterday by Paul Amort, assistant manual training instructor, and Pacific Northwest amateur champion in the 145-pound class.

Classes for all High School boys will be organized as soon as possible by Mr. Amort, who has had a long career in the mat game. For four years he has been champion of O. A. C. in his class, and three times he has turned back aspirants for his title among other Northwest colleges. Last year he won the amateur championship of the Northwest. He has met and thrown Eddie I'Connell, the Multnomah Club star of Portland.

This announcement of wrestling classes by Mr. Amort, and the promise of securing a football coach, will give school athletics a great boost in Pendleton, according to Principal Drill this morning.

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

IF CROSS, FEVERISH, SICK, ILLIOUS, GIVE FRUIT LAXATIVE AT ONCE.

Every mother realises, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."
