#### Y.M.C.A. SECRETARIES ACT AS CUPID'S AIDS

##### CAMP LEWIS MEN GET MUCH FINE HELP IN DRIVING TO GIRLS "BACK HOME"

Secretaries First Find Out How Much Man Thinks of Girl, Whether He Intends to Marry Her When "He Comes Back" and How Long They Have Been Going Together.

CAMP LEWIS, Tacoma, Wash., Oct. 2.—Aides to Cupid are the secretaries of the Young Men's Christian association here, and sentiment is their stock in trade, love-sick phrases their specialty. Miner, cowboy, farmer, laborer, come to these sentimental secretaries to write letters to the girls the men left behind. And the Y. M. C. A. men write.

First, the secretaries find out how much the man really thinks of the girl, if he intends to marry her "when he comes back," how long they have been going together. And then he writes.

These agents for Cupid say the number of men who come to them for advice and letters is constantly increasing. The men are encouraged to ask for help in letter writing and each case is carefully handled.

##### Shipyard Worker Killed.

ASTORIA, Ore., Oct. 2.—Robert Taylor, an employe at the McEachern shipyards, was accidentally killed while at work there about 4 o'clock yesterday. A donkey engine was pulling a scow ashore when the cable parted and struck Taylor in the back of the head, fracturing his skull. He died on the way to the hospital.

Taylor was about 25 years of age and a son of E. A. Taylor of Clatsop Plains. He had worked in the yards for several months. When war was declared the young man attempted to enlist in the Third Oregon Regiment, but was rejected on account of defective eyes.

##### Postal Receipts Decrease.

WALLA WALLA, Oct. 3.—Postal receipts at the Walla Walla office for the third quarter ending September 30th, show a slight decrease over the same period of last year. The total for the quarter was \$14,462 against \$15,795 a year ago.

##### Graduate Season Favorable.

WALLA WALLA, Oct. 3.—Following a trip over the Wenaha reserve to take notes on the amount of grass

land available for the coming season, Forest Supervisor J. M. Schmitt found no snow had fallen on the higher levels yet, a most unusual thing in the mountains this late in the fall. He also stated the grass was green as a result of the rains and that grazing conditions were near ideal. Losses of stock from predatory animals was also said to be smaller than usual.

##### Governor May Decide.

SALEM, Ore., Oct. 2.—In locating a new state highway through the state highway commission it can be done only by unanimous vote of the commission, or if there is no unanimous vote, the governor can be called in to cast the deciding vote. But in making local changes in a state highway already fixed by law, only a majority vote of the commission is needed. This is the opinion of Attorney Gen. Brown forwarded to the state highway commission today.

##### Suspicious of Sick Wives.

EUGENE, Ore., Oct. 2.—Because sick wives recovered too soon after husbands had been exempted from the army is the basis for the reopening of two cases from Klamath county by the seasonal board for the second Oregon district.

"Unless the board receives further convincing testimony that these wives are really ill the men will go to war," Attorney L. M. Travis, a member of the board, stated.

##### The Dalles Has a Portia.

THE DALLES, Oct. 2.—The case of the state vs. Joe McClellan, charged with burglary of a barn near Knappton, was tried before the circuit court today, before a jury. McClellan was defended by Attorney John Gavin and his daughter, Miss Celia.

Miss Gavin made the plea for the prisoner to the jury and as this is her first criminal case, her work attracted much attention. Her plea was a good one, for after two hours deliberation by the jury, McClellan was acquitted of the charge.

The Giant runners will have to keep close when Davis is in the box. The fact that Danforth has helped Ray Schalk, catcher of the Sox, to pile up his successful throwing record.
