CATTLE STRENGTH FEATURES WEEK

PORTLAND, Oct. 15.—The sharply higher prices forced for cattle in the North Portland yards during the week attracted much attention from the trade. While the lot of steers that brought out the \$19 mark during the week was of very good quality, still a was not better than was ordinarily called topper stuff here.

General hog market range:

Prime light	17.25@17.50
Prime heavy	17.15@17.25
Pigs	14.75@15.75
Rough heavy	16.15@16.25

Mutton situation strong. Strength and higher prices were generally shown for mutton at North Portland during the week although no change was noted in the lamb division, which held firm at \$14. Factors of the matter was that no real topper lambs have been offered to the trade here recently and this, therefore, creates a nominal market trend in that line. On the other hand mutton of all kinds brought better values during the week.

General sheep and lamb range:

Western lambs	13.50@14.00
Valley lambs	12.75@13.50
Yearlings	11.75@12.25
Wethers	11.50@12.25
Ewes	8.50@10.75

After showing an early advance of 10 cents at the start of the week, the market for swine began to show a reactionary tone at North Portland. Not only was there a heavy volume of

Daily Chats With the Housewife

A POTATO DISH FOR EACH DAY IN THE WEEK.

It is said that potatoes may be cooked in more ways than any other vegetable, and a score or more variations are within the knowledge of any good hotel chef. Seven ways, one for each day in the week, beginning with Monday's Tuesday's and Wednesday's dinners, through Thursday's lunch, Friday's dinner, Saturday's lunch, and Sunday's supper are here given.

Stuffed Potatoes: (Monday) Cut baked potatoes in half, remove the pulp, mash it, add enough milk for the usual consistency of mashed potatoes, and season with butter, salt and pepper. Fill the baked skins with this mixture, dot the tops with butter and bake for eight or ten minutes in a hot oven. To vary this add to the mashed potatoes, before the skins are filled, any one of the following: beaten white of egg (1 egg to 3 medium sized potatoes); grated cheese (1/2 cupful to 3 medium-sized potatoes); chopped meat (1/2 cupful to 3 medium sized potatoes); chopped parsley (1 tablespoonful to 3 medium sized potatoes).

Scalloped Potatoes: (Tuesday) Use raw, thinly sliced potatoes in layers, each layer to be sprinkled with flour, butter, pepper, salt; lastly pour in just enough milk to be seen through the top layer, and then bake for about an hour, until the potatoes are tender. This may be varied by adding, in layers, hard boiled egg, sliced; grated cheese; or minced ham.

Boiled Potatoes: (Wednesday) Select potatoes of uniform size; wash them with a brush; and plunge them into boiling salted water (1 teaspoonful salt to 1 quart water). Cook them with the cover of kettle ajar, until firm, from 20 to 30 minutes. Drain the potatoes; remove the skins; dress the potatoes with butter if desired; and serve them immediately. If it is necessary for the potatoes to stand a few minutes before being served, cover them with a cloth, not a lid, in order that the steam as it condenses may be absorbed by the cloth and not returned to the potatoes to make them soggy. This is the reason for serving potatoes in an uncovered dish. The potatoes may be sprinkled with chopped parsley.

Potato Salad: (Thursday) From Wednesday's left overs, 1 cold boiled potatoes, 3 tablespoonfuls salad oil or melted butter, 2 tablespoonfuls vinegar, 1/2 tablespoonful salt, Cayenne pepper, 2 tablespoonfuls chopped parsley. Few drops onion juice.

Cut the potatoes in one-half inch cubes. Make a dressing by mixing thoroughly the other ingredients. Pour this dressing over the potatoes, and allow them to stand for 15 minutes. Drain off any dressing that may not have been absorbed by the potatoes. Garnish the salad with sprigs of parsley and serve with cream dressing or mayonnaise. To the salad may be added any of the following: 1 cupful chopped celery; 2 cucumbers, chopped; 2 hard boiled eggs, chopped, or, as a garnish, sliced.

Mashed Potatoes: (Friday) Thoroughly mashed cooked potatoes, 4 or 5 tablespoonfuls of hot milk, one tablespoonful of butter, and a little salt and pepper, to each pint of potatoes. Beat the mixture with a fork until light, and pile it lightly in a hot serving dish.

Mashed potatoes may be shaped into small cakes. Brown them in a frying pan in a small amount of hot fat. Mix with boiled codfish, or canned salmon, for fish cakes.

Potato Soup: (Saturday) From Friday's left overs, 2 cupfuls hot rice or mashed potatoes, 1 quart milk, 2 slices onion, 1 tablespoonful butter, 1 tablespoonful flour, 1 1/2 teaspoonfuls salt, celery salt, pepper,

IF BACK HURTS BEGIN ON SALTS

FLUSH YOUR KIDNEYS OCCASIONALLY IF YOU EAT MEAT REGULARLY.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous uric acid flusher is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure thereby avoiding serious kidney complications.

The previous day had been devoted to grammar. Among the geographical questions was the following:

"Name the zones."

One promising youth, who had mixed the two subjects, wrote: "There are two zones, masculine and feminine. The masculine is either temperate or intemperate; the feminine is either torrid or frigid."

Potato Biscuit: (Sunday, from Friday's or Saturday's left overs), 1 cupful mashed potatoes, 1 cupful flour, 4 teaspoonfuls baking powder, 1/2 teaspoonful salt, 1 tablespoonful butter, 1 tablespoonful lard, milk, about 1/2 cupful.

Sift the dry ingredients. Add these to the potatoes, mixing with a knife. Work the fat into this mixture lightly. Add gradually enough milk to make a soft dough. Tom the dough onto a floured board, pat and roll it lightly to one-half inch in thickness. Cut it into shapes with a biscuit cutter. Place the biscuits on a greased pan and bake 12 to 15 minutes in a hot oven.
