## MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

What New York Thinks of Tom Dobson.

"Tom Dobson is a delightful entertainer, very original in some of his work, and even unique in other ways. This he demonstrated yesterday afternoon at the Punch and Judy theater before an enthusiastic audience. "When I Was One and Twenty," a dainty bit of simplicity from Mr. Dobson's own pen, was encored. So were the "Improving Songs for Anxious Children." Mr. Dobson is the main composer; he can revel in fascinating trifles to the delight of his audience. He is an artist who will grow and be a factor in the entertaining world."—Pitts Sanborn, in The New York Globe.

ROBERT HARRON IN A TRANSCONTINENTAL PLAY

With scenes actually photographed in eight of the largest cities of the United States and aboard the train that carried the company on the 8,000 mile trip, the new Triangle-Fine Arts picture "An Old Fashioned Young Man," which will be shown at the Pacific Theatre, Thursday and Friday, is a distinct novelty among recent photoplays.

Cosy Thursday and Friday

A special program in conjunction with the regular Butterfly feature has been arranged for the management of the Cosy for Thursday and Friday. Alaska Jack has a collection of Northern curios which will be exhibited in front of the theatre.

Chamberlain's Cough Remedy the Most Reliable.

After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirslein, Greenfield, Wis., writes: "Chamberlain's Cough Remedy has been used in my mother's home and mine for years and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used."—Adv.

BLANKET OF SNOW FOUR INCHES DEEP, MONTANA

HELENA, Mont., Oct. 18.—A blanket of snow four inches deep that fell during the night throughout the state, gave Montana its first touch of real winter. The coldest temperature in the state was at Helena. Clear and colder weather is the prediction for tonight. A cold north wind which began blowing early last evening caused a drop in temperature of 23 degrees over night.

There are numerous potato fields that have not been harvested and it is feared that they may be a total loss.

Sour Stomach.

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.—Adv.
