

NEWS NOTES OF PENDLETON

Army Life Agrees With Him.
Mr. and Mrs. John Eggers have received a letter from Willie Brodine, who left here with Troop D. He is now at Camp Mills and states that he has gained 20 pounds since entering the service.

Yakima Canutt GUILTY.
"Yakima" Canutt, who won the bucking championship at the last Round-Up and who was recently arrested for bootlegging at Baker, Saturday changed his plea of not guilty to guilty and was fined \$250. He and his wife returned through Pendleton to Pennewas, Wash., with J. L. and Alex Canutt, father and brother of the buckaroo.

Weston Boys Promoted.
All four Weston boys who are now with the Army Engineers at Camp Mills, N. Y., have been promoted—Ernest Hiltunen and Sidney Harns to be corporals and James Kirkpatrick and Sylvan Kennard to be first class privates. They expect to sail soon for France, and all have taken out government life insurance in favor of their respective families. Mrs.

Gladya McFadden, wife of Lieutenant McFadden, recently visited the boys at their camp.—Weston Leader.

To Build Garage.
The Standard Oil Co. has taken out a permit to build a garage of corrugated iron on Aura street.

Attending Farm Sale.
Quite a number of Pendletonians went out this morning to the farm of J. E. Kasari to attend the auction sale being held there. Among those going out were Glenn Scott, George Strand and W. H. Morrison.

Creditors Bring Suit.
Ten creditors of Guy R. O'Melveny Saturday filed an attachment suit against him and his wife to force the payment of \$179.36 alleged to be due them. The suit was brought in the name of F. M. Griggs to whom the other accounts had been assigned. Besides Griggs there were represented in the suit the Pendleton Roller Mills, P. P. & L. Co., Peoples Warehouse, Central Market, Taylor Hardware Co., Pendleton Drug Co., W. J. Gadow, J. V. Tallman and

Smythe-Loverman Co. W. M. Peterson is attorney for the plaintiff.

Judgment Is Given.
R. A. Curran has been given judgment against H. C. Houseman for \$745.50 by Judge Phelps.

To Join Navy.
Raiph Shaw left today for Portland with the intention of enlisting in the navy. His wife will remain here.

Sues On Note.
John McPhail has brought suit against Mrs. Tom Meigs for judgment on a note for \$130 alleged to have been executed by her and her husband, S. A. Newberry is his attorney.

Two Marriage Licenses.
Marriage licenses have been issued to Leroy Chauncey Horlbert, 49, and Violet V. Boyd, 39, both of Pendleton, and to De Soto W. Davis, 29, and Isabel Holmes, 18, both of Nolia.

Sues for Balance.
John Demmy and F. H. Hague have brought suit against C. H. Anspach for \$452.43, an alleged balance for goods, material and labor furnished. R. D. Peterson is attorney for plaintiffs.

Sues for Divorce.
Russell L. Stanton has brought suit for divorce against Fay Stanton on the grounds of infidelity, charging her with associating with other men. They were married in Independence in August, 1914. Peterson & Bishop are his attorneys.

Even Drafted Men Affected.
Even registered men who are already in the military service through enlistment or draft must fill out the questionnaires which are to be sent out on Dec. 15. The regulations require that all men who registered last spring fill out the questionnaires.

Less Taken to Portland.
Karl Lasse, the Nolia farmer whose pro-German sympathies led him into trouble with the government was taken to Portland today by Marshall Carter. From there he will doubtless be taken to some internment camp to spend the balance of the war period.

Two More Are Commissioned.
The attention of the East Oregonian is called to the fact that in the list of 23 Linnetta county men who have won commissions there was no mention of Dr. A. P. Smith of Weston who is a first lieutenant in the medical reserve, nor of Dr. Alfred Seimper of Weston who has been commissioned in the dental reserve corps. This brings the total up to 25.

Returns After 33 Years.
Thirty-three years after leaving Pendleton, J. J. Booth returned to attend the convention of the Farmers Union which opens tomorrow and he found a city that bore but faint resemblance to the thriving little hamlet he left. He was in the wood business. He now lives at Dayton, Oregon, and this is his first visit to his old home.

Women Fight Fine Paid.
Mrs. Richard Roe, disorderly conduct, forfeited bail \$100, is the way an entry made in the police court records this morning reads. It is all there is on record of a half-pint, half-clawing and extremely vicious combat between two women Saturday evening, between two women who evidently love the same man. He is the husband of one and the lover of the other, from the way the police gathered the facts, and the wife referred to him keeping company with the ex-wife. The wife came off second best in the physical encounter, but the other had to settle with the police eventually. That is to say, the man settled for her. No names were given.

Observed to Snakes and Flies.
Alleging among other things that her husband, Clinton Lodenkirch, housed her in a shack in Nevada, so ill-fitted that snakes were in the habit of crawling up through holes in the floor and that he refused to put up screens to keep the flies out, Leone Lodenkirch has brought suit for divorce upon the grounds of cruel and inhuman treatment. They were married in Nevada in June, 1912, but lived in this county for a time. She recites a long tale of marital woe, accusing her husband of deserting her at one time, of nagging her, of belittling her, of failing to sympathize with her when ill or suffering and of forcing her to do tasks for which she was physically unfit. She asks that her maiden name, Lotan, be restored to her. Will M. Peterson is her attorney.

Cataract Is an excessive secretion accompanied with chronic inflammation, from the mucous membrane. Hood's Sarsaparilla acts on the mucous membrane through the blood, reduces inflammation, establishes healthy action, and radically cures all cases of cataract.

Lieutenants Fee Return.
Lieutenants Algor Fee and Chester Fee, both of whom won their bar at the Presidio, arrived home last evening, the former accompanied by his wife and baby. The elder brother, who was formerly city attorney, will leave the latter part of the week for San Antonio to report for duty in the non-flying branch of the signal corps. The younger officer will have a longer furlough. He is assigned to the 62d Infantry at San Francisco. Captain Lyndon G. Rice is expected home this evening.

FOR U. S. HOSPITAL ON STATES ISLAND
WASHINGTON, Dec. 2.—The Surgeon General of the Army announces the selection of a site on States Island for a receiving hospital for American soldiers wounded in Europe and brought back to this country. This hospital will be built on property on Fox Hills, south of the Fox Hills Golf Club and will have a capacity of from 1500 to 2500. The plans are completed and construction will be begun soon.

Because of its proximity to quantities where all incoming ships must stop, it will be possible to receive the men comfortably in the hospital buildings by motor car a narrow-gauge road leading almost directly from the Steamer Wharf.

The States Island hospital will be used only for purposes of distribution. As the men are received there they will undergo thorough examination and will then be transferred to other hospitals for special treatment. As far as possible soldiers will be sent to hospitals near their homes.
