HUNGRY CHANCELLOR GRATEFUL FOR FOOD

AMSTERDAM, Dec. 20.—According to the Munich Post a number of friends and admirers of Count George F. von Hertling the imperial chancellor, have been sending him foodstuffs since he left Bavaria for Berlin to take up the chancellorship, fearing he might find difficulty in getting food in the German capital. As the sending of foodstuffs from Bavaria to Prussia is against the regulations, the packages were seized and the senders arrested. Count von Hertling has telegraphed the Bavarian authorities requesting the release of these persons and asks that the packages be forwarded to him, adding: "They will be gratefully accepted."

OPEN NOSTRILS! END A COLD OR CATARRH

How to Get Relief When Head and Nose are Stuffed Up.

Count Fitz! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Use a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head; soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed up and miserable. Relief is sure.

\$100 Reward, \$100 The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine takes internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine for any case that it will cure. Send for list of testimonials. Address E. J. CHENEY & Co., Toledo, Ohio. Sold by all Druggists, 7c.

Hot Water Each Morning Puts Roses in Your Cheeks

Look one's best and feel one's best as to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ash, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, forms toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with coated tongues, bad taste, nasty breath, others who are bothered with headachy, bilious spells, acid stomach or constipation should begin this phosphate bath water drinking and are assured of very pronounced results in one or two weeks. A quarter pound of limestone phosphate costs very little at the drug store, but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is really more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.
