ALLENATION SUIT LEADS TO DIVORCE

DENVER, Dec. 24.—An echo of the \$5,000 pro-German alienation suit of Dr. George F. Lee against Mr. and Mrs. Frederick Schmidt, the parents of his wife, was heard in district court Thursday when Mrs. Teresa Schmidt Lee filed suit for divorce on the ground of repeated cruelty. Mrs. Lee asks for the custody of their daughter, but no mention is made of alimony. She was married to Dr. Lee in June, 1915.

Counsel for Dr. Lee today said the alienation suit will be dismissed. In the complaint against the parents of his wife, filed two weeks ago, Dr. Lee alleged that the pro-German inclination of the Schmidt family had resulted in an arrangement between himself and Mrs. Lee. He charged that his sympathies for America in the present war and his patriotism had been ridiculed and condemned by Mr. and Mrs. Schmidt.

MEN MORE THAN 40 BARRED FROM ARMY

Scores Past Age Apply Through Impression New Ruling Had Been Made.

DENVER, Dec. 24.—Scores of men past the meridian of life have been invading the offices of the army recruiting station, 1705 Lawrence street in an effort to enlist, due to an erroneous impression that a new ruling had been made by the war department that volunteers up to the age of sixty would be accepted for army service.

Major C. N. Barney stated this morning that no brothers from Washington had countermanded instructions that men over forty are not acceptable for army service unless they are experienced soldiers or have unusual qualifications through national guard or state militia service.

CAN'T DO THE WORK.

It's too much to try to work every day against a constant dull headache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. M. J. Thornton, 712 Calvin street, Pendleton, says: "Doan's Kidney Pills are not new in our family and for kidney disorders, they save no equal. About a year ago I had all I could do at times to get around at my work, my back was so weak and lame. If I were on my feet very much, my back would give out and I would have to sit down. When I got down, I could hardly straighten up and during this trouble with my back, my kidneys acted irregularly. I felt tired and miserable all over until I began taking Doan's Kidney Pills. The first box helped me so much that I continued using them. By the time I had taken three boxes of this medicine, that awful misery in my back had stopped and my kidneys were in good working order."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Thornton had, Foster-Milburn Co., Mfrs., Buffalo, N. Y.

DRINK HOT WATER AND RID JOINTS OF RHEUMATIC RUST

Why rheumatism and lumbago sufferers should drink phosphated hot water each morning before breakfast

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste material, toxins and ptomaine-like poisons, called uric acid, is formed and then wicked into the blood where it continues to circulate, collecting grain by grain in the joints of the body much as rust collects on the hinge as shown above.

Men and women who suffer from lumbago, rheumatism or sore, stiff, aching joints should begin drinking phosphated hot water, not as a means to magic relief from pain, but to prevent more uric acid forming in the system. Before eating breakfast each morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This will first neutralize and then wash out of the stomach, liver, kidneys and bowels the previous day's accumulation of toxins and poisons; this cleaning, sweetening and refreshing the entire alimentary canal, each morning before putting more food into the stomach.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to make any rheumatic or lumbago sufferer an enthusiast on the morning inside bath.

Millions of people keep their joints free from these rheumatic acids by practicing this daily internal sanitation. A glass of hot water with a teaspoonful of limestone phosphate, drunk before breakfast, is wonderfully invigorating because it cleanses the alimentary organs of all the waste, gases and sour fermentations, making one look and feel clean, sweet and fresh all day.

Those who try this for one week may find themselves free from sick headaches, constipation, bilious attacks, sallow, nasty breath and stomach acidity.
