## MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

### DOROTHY DALTON STARS IN "THE FLAME OF THE YUKON"

"The Flame of the Yukon" is the name of the new Triangle play starring Dorothy Dalton, which will be exhibited at the Paolino theater today. It was written by Monte M. Katterjohn and produced under the supervision of Thomas H. Ince.

Dorothy Dalton appears as a sort of Alaskan Carmen, queen of the dance hall girls, known throughout the Yukon country as the "Flame." She is the trump card of Black Jack Hovey, proprietor of the Midas cafe, the most popular resort in the lively mining town. One night a stranger comes to the place, and instead of tricking him, as Black Jack orders, she finds herself interested in him and aids him to make his way to the gold fields. The man's influence over her is for the good, and she decides to go straight, but the gangster and declare she will flame higher and fiercer and ever after her brief period of goodness.

Among those appearing in support of the star are Kenneth Harlan, Melbourne McDowell, Margaret Thompson, Carl Ullman and May Palmer. The production was directed by Chas Miller.

#### Cosy Today

Alice chief clean up in a garage has a mean stepfather. Fat, her sweetheart decides to marry her. Just as the big day draws, Alice's sweetheart is vamped away. Alice in revenge attempts some hair-raising suicide pacts, that do not seriously affect her.

Bent on revenge, Alice becomes a jitney-bus driver; takes the vamp and her sweetheart for a wild ride through many houses, brick walls and any obstacle that stands in the way of the unguided course of the jitney.

This is an exceptionally clever story, full of stunts never attempted before, with laughs galore.

### MARGUERITE CLARK IN FIRST "SUB-DEB" FILM

The "Sub-Deb" stories by Mary Roberts Rinehart in the Saturday Evening Post, were followed with interest by thousands of readers all over the United States who will receive

#### PATENT MEDICINE

**HAD THE GRIP THREE WEEKS**  
With January comes the grippe. Lingering colds seem to settle in the system, causing one to ache all over, feel feverish and chilly, tired, heavy and drooping. Mrs. Lizette Tyles, Henderson, Ky., writes: "My daughter had the grip for three weeks. I had had in grapple for three weeks. I had the doctor and bought medicine and none of it did any good. I gave her Foley's Honey and Tar and now she is all right. I have told all my friends about it." Insist on the genuine Foley's Honey and Tar.—Tallman & Co.

#### ARE YOU FEELING FIT?

Do you envy the man or woman of untiring energy, strong body and happy disposition? All these depend upon good health, and good health is impossible when the kidneys are weak. Foley's Pills act promptly and help the kidneys filter the blood and cast out the poisonous waste products that cause sore and swollen muscles and joints, backache, rheumatism, and the symptoms that give warning of dangerous kidney and bladder ailments.—Tallman & Co.

Sloan Bonnet Shop  
103 E. Court St.

with pleasure the announcement that Marguerite Clark has been chosen by Paramount to star in screen adaptations of several of the incidents, the second of which will be highly amusing, "Bab's Burglar." The production was directed by J. Searle Dawley. "Bab's Burglar" is scheduled to appear at the Alta Theatre on Sunday and Monday.

#### Alta Today

Fannie Ward beaten by husband. In her newest Paramount picture now being shown at the Alta Theatre, Fannie Ward has the novelty of having her own husband play the "heavy" or villain in the production. He not only steals her from her father, riding away with her thrown over his saddle, but later on in the picture, beats her with fists and relishes and testifies falsely against her in court. A happy ending finds Fannie Ward securely married to another man and Jack DeWitt her "real" husband meeting his deserts.

#### SEVEN OF SWEDISH SHIP'S CREW, GERMAN PAID, DIE

**SAN FRANCISCO, Jan. 4.**—A Swedish ship, said to have been serving Germany in planting mines off the South African coast has been captured, and seven members of the crew in the German pay were executed, according to W. Alroy, head of a trading corporation of Cape Town. He said today that the execution took place five days before his departure from Cape Town.

#### SWISS FIRE ON GERMAN BOAT.

Troops Get Busy When Neutrality Is Violated.  
**GENEVA, Jan. 4.**—Swiss troops on duty on the shores of Lake Constance yesterday fired upon the newly-launched German lake steamer Kaiser Wilhelm, which entered Swiss territorial waters. The vessel was pierced in many places by rifle fire and withdrew rapidly. No lives were lost. The incident is regarded as marking Switzerland's determination to protect her neutrality.

#### BRITAIN'S FIRST SEA LORD.

Vice-Admiral Sir Rosslyn Wemyss, who for some time has been second sea lord in the British admiralty, has been named first sea lord in place of Sir John R. Jellicoe. The change, which has not been fully explained in great Britain, is believed to mean greater activity of the grand fleet. It is possible some effort will be made to attack the Germans in their hiding places.

# Marguerite Clark in "Bab's Burglar"

Story by Mary Roberts Rinehart

Directed by J. Searle Dawley

#### FACE-TO-FACE

Marguerite Clark has never seemed so adorably lovely as when she plays the match-maker in Mary Roberts Rinehart's "sub-deb" stories that provoked so much national comment when printed in the Saturday Evening Post.

## MONEY IS THE ROOT OF ALL EVIL

Said Dainty Marguerite, but that was before she tried to marry off "her old maid" sister.

## OVERLAND AND WILLYS-KNIGHT AUTOMOBILES

**THE WILLYS-KNIGHT**

You will concede the luxuriousness and beauty of this car without argument. Its practical advantages finally determine its purchase.

The motor has no equal—no near approach in any similar cars selling for so moderate a price or for hundreds of dollars more.

It is a Willys-Knight sleeve-valve motor—12,000 produced last year and giving the most remarkable satisfaction.

Everybody knows that nothing has ever seriously challenged the noiselessness of this type of motor.

It has the softer "purr" combined with greatest power for its size.

Its velvet smoothness puts all other motors of like power to shame.
