### AI Found a "Dead Man."

"Good Lord!" said Al Richardson, janitor of the East Oregonian building when he arrived to start a fire in the furnace at an early hour this morning. ### Pay On Net Incomes.

Callers at the office of Income Tax Deputy Kennedy at the court house often have the impression they are required to turn in a report of the gross earnings of their business instead of the net earnings. Under the law a man or a corporation may deduct the operating expenses of the business from the gross earnings, thus making a report merely on net earnings. No deduction, however, may be made for a man's personal expenses or for the personal expenses of his family.

### Penland Is Consulted.

Claude Penland of Penland Brothers has returned from Walla Walla where he was called in consultation with the retail grocers of that city to regard to a delivery system. The Walla Walla merchants here, according to Mr. Penland, divided their city into eight zones and will make one delivery a day to each zone of one general delivery throughout the city a day, until a cooperative system can be established such as is operated in Pendleton. This is in accordance with the government's suggestion to cut down man power. In this connection Penland Bros. have cut down their force since 1916 from 22 to seven men by the cooperative system.

## A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have  
Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 70c and 25c per box. All druggists.
