### FARMERS AND THE NEW BANKING SYSTEM

<u>Հայաստանան անագարան անագահանան անագահանան անագարան անագարան անագարան անագարան անագարան անագարան անագարան անագա</u>

The Federal Reserve Banking System with its thousand million dollars of resources stands back of its member banks and assists them in taking care of the needs of their depositors.

Our membership in this system gives us special facilities for enabling farmers to plant, gather and store their crops.

The next time you come to town stop in and let us tell you how this new system enables us to help you.
