A SAGEBRUSH SIREN IS Louise Glaum IN Golden Rule Kate

She is the ruler of a dance hall in Paradise, Nev., during the mining days of the early west. She is quick with her gun and does not hesitate to use it. When the minister comes to clean-up the town she has him roped and brought to the dance hall. See one of the best westerners yet.

Ray McKee is making a name for himself as an actor of unusual versatility and he and Shirley Mason are excellent foils for each other in this play of modern times.

Alta Sunday and Monday
Jean St. Anne "From Somewhere in France" on vaudeville program at Alta Sunday.

Vaudeville that will please is manager Martlock's verdict of the acts that appear at the Alta Sunday and Monday. Helms and Evans are a young couple lately from Holland, and are as versatile a team as ever expounded dutch comedy. Their act brims with original humor, a wealth of song, rapid cross fire conversation and chatty dancing. Lovers of yodeling in their yodeling number, Jean St. Anne is a talented young polka who brings a breath of the trenches of the western front when he sings a revue of songs. He appears in uniform and shows evidence of a wound received in battle. His French songs as well as those in English are beautifully rendered and we are sure all will like Jean St. Anne for an entertainer he has few equals.

BEN F. WEST

Ben F. West, assessor of Marion county, has announced his candidacy for the republican nomination for state treasurer. Mr. West is well known to many Pendletonians and was here last summer in attendance at the state editorial convention.

Americans North of Toul.

PARIS, Feb. 11.—A correspondent for the Matin says the American sector is particularly favorable for war training and successive contingents are being trained in the duties of small attacks as lessons for big campaigns.

"GOLDEN RULE KATE" STARS LOUISE GLAUM

Louise as a ruler of a dance hall in Paradise, Nev., during the mining days of the early west is the star of "Golden Rule Kate," a Triangle play which will be shown at the Pastime theater Tuesday and Wednesday.

Like the male fighters of the screen, Miss Glaum proves quick on the draw, unscrupulous in dealing with her enemies, but on the level when it comes to the square-deal law of the land. Whenever a dispute arises she brings order by drawing a gun and making a few well-chosen remarks. When a minister opens a church in the town, she feels that her franchise is being infringed upon and tells him plainly that she will not permit any competition to her resort, even though competition may be supplied only by a choir and wheezy organ. The minister finally conciliates

to see that each individual has a "Land of Promise" in his or her own heart and that happiness lies waiting for us at our very doors. "The Land of Promise" is coming to the Pastime theater on Sunday and Monday.

METRO PLAY SHOWS PLANTATION LIFE

Over two hundred Georgia "darkies" picking cotton in the fields on a plantation will be seen in "The Valley of Conviction," a Metro wonderland co-starring Francis X. Bushman and Beverly Sills which will be shown at the Alta Theatre Sunday.

Edwin Carrawe, director, took his company of leading players to the vicinity of Savannah, Georgia, for the starting of these plantation scenes. With the exception of three principal characters, who were obliged to show up in dramatic form, all the colored people shown in the scenes were secured in the immediate vicinity. The leading colored players were Pauline Dempsy, who plays Aunt Jenny, Walter Brunsard, (Crazy Pete), and Anthony Bird, who plays Uncle Moss.

"The Heritage," an old historic mansion, was used as the home of the heroine, Miss Baynes. This old dwelling which has fallen into decay, was restored to its former magnificence for the purpose of the picture by the Metro technical staff. This house was built before the Civil War by slave labor from bricks made on the plantation, and is surrounded by the old "smoke houses" and slave quarters used many years ago.

COSY SUNDAY AND MONDAY

The many admirers of Shirley Mason, Viola Dana's younger sister, will hear with delight that she is again starred in a five-reel feature from the Edison Studio.

"The Apple-Tree Girl" is a story of more than ordinary charm and interest. The love appeal is sustained throughout and the plot culminates in a climax of real dramatic interest. With a happy and unsuspected ending.

Somerset Maugham the author, chose Canada to represent this land, but under the sparkling surface of the photoplay, one is made

TAKE SALTS TO FLUSH KIDNEYS

FAT LESS MEAT IF YOU FEEL BACKACHE OR HAVE BLADDER TROUBLE.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular diets of meat must flush the kidneys occasionally. You must remember that you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, leading you to get up two or three times during the night.

To neutralize those irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoon in a glass of water before breakfast for a few days and your kidneys will thank you and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithium chloride and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

NEW WAY TO GET DISINFECTANT IS PROVED SUCCESS

SAN FRANCISCO, Feb. 9.—Processes for extracting disinfectants of the phenol group from redwood pulp were declared successful today by University of California after exhaustive tests. Dr. W. J. Hund of Ross, California, made the discovery after two years of studying, partly in Berlin. The process utilizes a heretofore waste product and is more direct than the coal tar processes and fills a serious war shortage.

Roosevelt's Condition Is Rapidly Improving

NEW YORK, Feb. 9.—Alarming symptoms in the internal ear, which had been noted in Theodore Roosevelt's condition are disappearing, according to bulletins from the hospital. He will be confined to the hospital for at least three weeks, during which time quiet and rest are essential. His pulse and temperature are normal again.

GERMANY TO OFFER RUMANIA SLICE OF BESSARABIA AS SOP

AMSTERDAM, Feb. 11.—It is learned today Germany is to offer Rumania a slice of Bessarabia as part settlement. The central empires are anxious of the effect in the Balkans. Krupp newspapers say the Rumanians can get the southwest corner of Bessarabia by renouncing all claims to westward extensions. Such an arrangement would give Rumania complete control of the Danube's mouth.

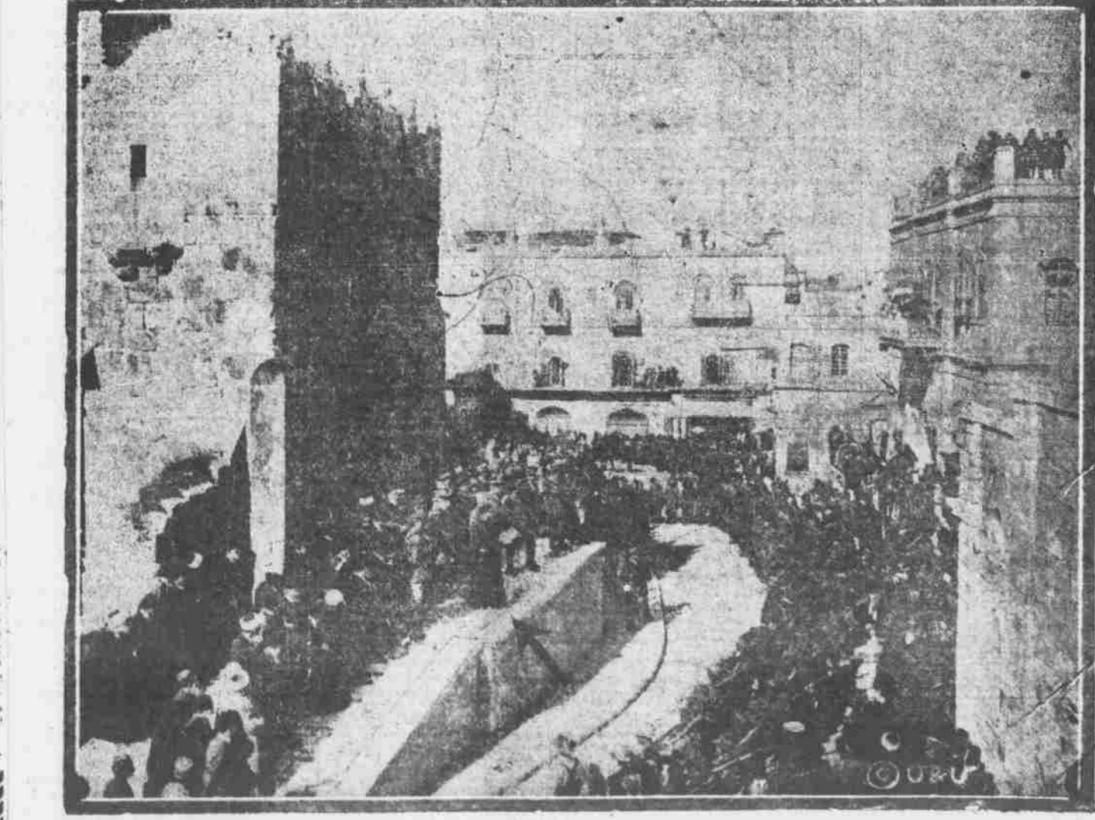

TROUSERS OF PAPER GERMANY'S STYLE

AMSTERDAM, Feb. 8.—Paper trousers are worn now by a large proportion of the men in Germany. Whole suits are being sold, which contain practically no fabric except paper, and the demand far exceeds the supply. Collars are selling in Berlin for nearly 3 cents each, and shoe laces of paper yarn are 15 cents a pair. Leather is almost unobtainable. Boots with wooden soles are worn even by the better class, and fully 40 per cent of the soldiers at the front wear them. The standard shoes contain only 10 per cent leather. In many cases the uppers are made out of old ship sails, tent awnings and impregnated burlap. Paper for ordinary purposes has become so scarce that some provincial newspapers are using low grade colored papers.

RABBI READING BRITISH PROCLAMATION OF TAKING OF JERUSALEM

This photograph, one of the first to arrive in the United States illustrating the British capture of Jerusalem shows a scene which will be known as one of the great events of history. The Jewish rabbi (indicated by an arrow) is reading the British proclamation of the taking of the holy city. Alibey, commander of the British forces, made quite a ceremony. The rabbi is standing in the ruins on the tower of David. The photograph was taken from the tower of David.
