 Steady conditions were shown in the market for swine at North Portland for the day, although only a nominal run put in an appearance. In the east the situation was again slightly firmer, with fair price advances, but no change was noted at North Portland.

 When You Have a Cold.  
 It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Bana, Ill., writes: "Our five-year-old son Paul caught a never cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."—Adv.

 CORVALLIS, Ore., Feb. 20.—Corn meal, buckwheat, flour, soy bean, and potato flour are some of the substitutes that may be used to replace part of the wheat flour in war breads. The following U. S. recipe for potato bread is explained by the O. A. C. Home Economy staff as follows.  
 Potato flour is not generally available in American markets, but boiled mashed potatoes may be substituted for slightly less than one half the

ONLY NOMINAL RUN OF CATTLE

PORTLAND, Feb. 21.—There was only a nominal run of stuff in the North Portland yards for the day and general trade conditions were quiet. The top price on steers was reduced by local applications, as they cannot reach the distant portions of the car. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts upon the blood on the mucous surfaces of the system.  
 We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, The Catarrh Cure, F. J. CHENEY & Co., Toledo, O.

Mrs. Wm. MacGregor, 711 Lillie St., says: "I suffered from terrible pains in my back and my feet and ankles swelled. I often had to gasp for breath and sometimes had to be helped around. After everything else had failed to help me, I used Doan's Kidney Pills and they cured me." (Statement given May 18, 1916.)

On May 15, 1916, Mrs. MacGregor added: "My opinion of Doan's Kidney Pills hasn't changed in the least since I gave my first recommendation several years ago. I know from experience that this medicine has no equal for kidney trouble."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. MacGregor had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.
