GRAND OPERA SINGERS BATTLE OVER CHILD

The child in this picture is the center of a bitter court fight being waged in New York by her parents, Ardianna—that's her name—is four years old. She is shown in the arms of her mother, Mme. Marguerite Matzenauer. Metropolitan prima Donna contracts. The baby's father, Edouardo Ferrarri-Fontana, former Metropolitan tenor, was divorced some time ago and Mme. Matzenauer was given custody of the child on condition the husband be allowed to see it at the home of a friend, every Wednesday and Saturday. The father now an Italian army officer is now back in this country on leave.

ARE YOU A SUGAR SLACKER? SOME ARE DISCOVERED HERE

The "sugar slacker" is the latest discovery. Peeved because the Hoover regulations have banished the sugar bowl from the table of the restaurateur and limited the individual sugar ration to 30 many lumps or spoonfuls, the "sugar slacker" is carrying sugar to the restaurants in his pocket. So, at least, one eating house proprietor declares, and states that it is surprising to find that some of these slackers are very representative people.

QUOTA NOT REACHED IN SKILLED WORKERS

Unmatta county has failed to make her quota in the registration of skilled workers in the United States Shipyard Volunteers. The quota of this county was fixed at 25 and so far only 29 registrations have been reported, although ten counties of the state have gone over the top.
