GIRLS! DRAW A MOIST
CLOTH THROUGH HAIR,
DOUBLE ITS BEAUTY

TRY THIS! HAIR GETS THICK,
GLOSSY, WAVY AND BEAU-
TIFUL AT ONCE.

Immediate?—Yes! Certain?—that is the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggly, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes—has really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Danderine's Danderine from any drug store or toilet counter for a few cents.

the receipt of a reply, he was given the liberty of the city by the authorities, with the injunction that he was to report to the sheriff Tuesday afternoon at 2 o'clock. In the meantime the authorities set on foot an investigation of their own and wired to Everett where it seems, Martinich lived.

From the police authorities there came a report not at all favorable to Martinich and a search for him was promptly begun. The railroad stations here and at neighboring points were watched by officers, but Martinich apparently left town by the automobile route. Nothing has been seen or heard of him since.

The council of defense investigated other cases yesterday but in each no cause for action whatever was found. Chairman Gallatley says that no action will be taken against those who hold conscientious opposition to war for religious reasons, but that those who publicly voice opposition to the course of the government in this conflict and endeavor to spread that sort of propaganda will be summarily dealt with.
