A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

IF CROSS, FEVERISH, SICK, BILIOUS, GIVE FRUIT LAXATIVE AT ONCE.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without gripping.

When cross, irritable, feverish, or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled, get the genuine, made by "California Fig Syrup Company."

Insomnia is seldom caused by the things a man doesn't say.

The New Oakland Sensible Six

Has GREATER PROPORTIONATE POWER for its weight than any other car built with the single exception of one other, which sells at three times the Oakland cost.

Its high-speed overhead-valve motor is positive and unfailing in action, delivering at 2600 r. p. m. **FOURTY-FOUR FULL WORKING HORSE-POWER** or **ONE HORSEPOWER TO EVERY 48 POUNDS OF CAR WEIGHT.**

With all its excess power supply, however, this motor is exceedingly sparing of fuel.

This is due to its efficient and compact design, the system of advanced carburetion with which it is equipped, and the light weight of the car itself.
