Our New Spring Suits for Women are creations of master tailors

Every woman likes to feel that she is "smartly" dressed. That her clothes are not only correct in style but reflect the utmost beauty and grace of line. This individuality and distinctiveness is a feature of the new coats and skirts now on display in our garment section. Unusual care in the selection of each garment, the cream of the production of New York's best makers, bought right in their show rooms, weeks later in style than those their traveling salesmen show, assures you that our styles are the last word of Dame Fashion. Let us show you.

CINCINNATI MAN TELLS HOW TO SHRIVEL UP CORNS SO THEY LIFT OUT.

Cuch 1 7 1 2 This kind of rough talk will be heard less here in town of people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called frezzone when applied to a tender, aching corn stops soreness at once, and soon the corn dries up and lifts right out without pain.

He says frezzone is a sticky substance which dries immediately and never inflames or even irritates the surrounding tissue or skin. A quarter of an ounce, which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.

gas of the baking powder. These crackers (they really do not crack so they can not be crackers and they are not sweet, so they can not be cookies) may be toasted for a few seconds and served under creamed foods or they may be eaten cold with soup or salad.

Rice flour combines very nicely and when used with barley makes a bread nearly as white as wheat does. For pie shells, when used for lemon, cream or any other separately cooked filling, they make the best combination.

However, fluffy mashed potatoes make a very good foundation for any bread, cracker, or pastry. Miss Tingle declares. They can be combined with any mixture and save the more expensive flour. They also furnish part of the moisture. But when potatoes are used in yeast bread the dough must be kneaded very much harder than for white flour.

"The big difference in making war breads and white breads," she said in closing, "is that the war bread must be handled very lightly and must be started to bake in a much hotter oven. But when you want another slice of bread you should eat a potato."

COOKS FOR TOMMY IN HOLY LAND.

A good cook, in Tommy's opinion, is hard to find. So when one appears he is naturally invited to make his home with the troops. This "good cooker" was found by some Tommies in the Holy Land and he is now a full-fledged cook for the British.

PARIS THIEVES WEAR U. S. ARMY UNIFORMS

PARIS, March 5.—A gang of thieves, masquerading in the uniform of the United States army, has during the last few weeks been defrauding various banks, hotels and business houses in Paris by means of bogus checks, according to the European edition of the New York Herald. After a careful investigation the manager of an express company set a trap and captured two of the band, one being the ringleader.

No good American objects to shut rations for the benefit of our allies, but what makes one weep is seeing sugar and flour to insatiable Davey Jones.

MARINES IN FRANCE ARE WELL INSURED

WASHINGTON, D. C., March 5.—The 26th company—Resident U. S. Marines on active service somewhere in France is insured for \$2,345,000.

ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

GIVE IT WHEN FEVERISH, CROSS BILIOUS, FOR BAD BREATH OR SOUR STOMACH.

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When sleepless, cross, listless, pale, doesn't eat, doesn't act naturally, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

In addition to this, 188 men of the same company made allotments, totaling \$2,820.50, for the "folk back home."

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for extra large size, get a bottle of zemo. When applied as directed it effectively removes eczema, quickly stops itching and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying. The E. W. Rose Co., Cleveland, O.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel a fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels, the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphate, hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism, stiffness, others who have sallow skins, blood disorder and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank of the subject of internal sanitation.
