## HEADS BOSTON RED SOX THIS YEAR

Barrow will head the Boston American League club this season. This club has been rather hard hit by the draft but at the same time has been rather lucky in winter trades. Barrows knows baseball and has been rather fortunate in getting the most out of the material on hand.

## MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

**Pastime Today**  
"Beauty in Chains," the coming Ella Hall production, which will be presented at the Pastime theatre today is in a Spanish setting. This is the first time in her career that Ella Hall has played the role of a Spanish beauty but her success in carrying out this role leads one to believe that she might thrive in a Spanish setting. Universal's wonderful permanent settings came in handy in putting on "Beauty in Chains," and so did the Spanish houses which are so abundant in and around Los Angeles. Of course the street scenes to be true to life could not be found in growing wild, so to speak, but one of Universal City's justly famous settings, which are always left standing is a Spanish street, which has often represented Spanish, Peruvian and Mexican atmosphere. Almost the whole of the film was shot in this one street. Europe in America has no more brilliant example in pictures than in "Beauty in Chains."

**Alta Today**  
Montague Love and Dorothy Kelley are co-starring in "The Awakening," the new World-Picture Brady-Made which will be seen at the Alta theatre today.

This picture has that indefinable something called charm in the most generous portions. It is a story of life in an artist's colony and the principal figures are two orphans—a man and a girl. The man is called "The Beast" on account of his general disagreeable character and his disreputable appearance. The girl is Marguerite and when she comes into "The Beast's" life she entirely changes his mode of living and makes his general tenderness come to the surface. The story is replete with incident. The staging is the most effective seen on the screen in a long, long time. The whole production is an exceptionally charming and entertaining attraction.

molasses to milk. Mix all ingredients and bake in oiled gem pans.

**PERRISHING'S PIE.**  
1 cup stewed pumpkin.  
1 cup milk.  
1-2 cup sugar (reserve 2 tablespoons).  
1 teaspoon ginger.  
2 eggs.  
1-2 teaspoon salt.

Separate yolks from whites. Mix sugar and corn starch, dissolve in milk, stir in pumpkin, add yolks of well beaten eggs and salt and ginger. Line a rather deep pie tin with crust, fill with mixture, bake twenty minutes. Remove from oven. Whip egg whites until stiff, fold in the two tablespoonsful of sugar. Pile on top of pie. Return to oven and brown.

**Some Good Advice**  
"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when illious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.

**German Medals and Flag Found.**  
ELLENSBURG, April 3.—Six small bronze medals attached to the German national colors were found here yesterday. The medals bear the following inscription: "Relief for the widows and orphans of the German, Austrian and Hungarian soldiers, 1915."

**Rheumatic Pains Relieved.**  
"I have used Chamberlain's Liment for pains in the chest and lameness of the shoulders due to rheumatism, and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Batavia, N. Y.

## WIVES OF JAILED FINNS MAKE DEMAND FOR FOOD

HUTTE, Mont., April 3.—Forty Finnish women stormed the office of the county attorney today and announced their intention of remaining in his office until they were given food and clothing while their husbands languished in jail, charged with sedition. The men were arrested in a raid on a suspected I. W. W. headquarters. The women declared they have had nothing to eat, and dragged in twenty half-clad children to show their need of clothing. The county attorney finally persuaded the women to depart.

# Salts Fine for Aching Kidneys

We eat too much meat which clogs Kidneys, then the Back hurts

Most people forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any food store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate the into normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
