## SULLIVAN WINS GAME BY OVER FENCE DRIVE

Sunday Contest Between Yahnigans and Regulars of Interest.

John L. Sullivan's knockout punch yesterday afternoon made the Yahnigans take the count in the tenth round. The particular John L. was playing centerfield for McCredie's regulars and he was the very luminous light of the extra-inning battle which was witnessed at Round-Up Park by several hundred enthusiastic fans. With the score tied 5-5 in the last half of the tenth, the man with the pugilistic name, who had already cracked out four safe blows, gazed the ball over the fence and registered the winning score.

The contest was one much to the liking of the fans and the weather contributed to the success of the game. Kirwin and Mitchell worked for the Regulars with Rapp and Clow heaving for the Yahnigans. Kirwin twirled four innings and held the Yahnigans scoreless, letting them down with seven hits and fanning off along nicely until McCarrille topped Dempsey's fly in the fourth, permitting Lee to rest on second. Sullivan doubled, scoring Dempsey. John L. moved up to third on Lee's out and scored on Cox's sacrifice fly to right.

Mitchell essayed to tame the Yahnigans in the fifth. Holbecher walked and took third on Teck's single or was safe when Mitchell booted his grounder. The Yahnigans tied up the score when Shoats doubled, scoring Teck.

Dempsey doubled in the sixth, taking third on Sullivan's single to center, and scored when McCarrille let the ball slip out of his hand into right field when he started to throw home. Feuserhorn doubled, scoring Sullivan.

The Yahnigans stepped into the lead in the seventh when they chased three runs across the plate. Holbecher was safe when Mitchell booted his grounder. Teck-chuted, putting Holby on third. Pembroke kissed one to right for three bases, scoring Holbecher and Teck. Smoots and Pembroke pulled off the squeeze play. Pembroke scored. The run sent the Yahnigans into the lead, but the Regulars evened it up in the eighth when Dempsey doubled and scored on Sullivan's two-base hit to center. A fast double play prevented further scoring by the Regulars.

With honors even the fans buckled back into their seats for the extra inning session until Sullivan broke up the party with a hit in the last half of the 10th, scoring Ritter.

Sullivan, Pembroke, Teck and Clow were the heavy artillery for the day. Sullivan got five hits out of five trips to the plate. Pembroke slammed four out of five. Clow three out of four and Teck three out of five.

Constipation and Indigestion. These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.

### CHAPLAIN'S TO BOX IN SMOKE AT CAMP LEWIS

C. A. Rexroad Butte's Fighting Parson Will Box Two Opponents on Same Card.

CAMP LEWIS, April 22.—As a part of the next smoker at Y. M. C. A. building No. 8, three chaplains will be the stellar attraction on the card. Chaplain C. A. Rexroad, the fighting parson from Butte, Mont., and chaplain of the 116th military police will take on two of his brothers of the cloth for two three-round bouts. His opponents will be Chaplain Milton C. Lutz of the 216th engineers and Chaplain J. W. Beard of the three machine gun battalions.

All three men have been taking boxing lessons from Willie Ritchie and admirers of the "sky-pilot" are willing to lay their last nickel on their favorites. Chaplain Beard recently won fame and a reputation as a horseman by successfully taming a wild horse sent from the remount depot for his particular benefit after he had put in a request for an animal such as a stall preacher might ride in perfect comfort.

**Rheumatic Pains Relieved.**  
"I have used Chamberlain's Liniment for pains in the chest and lameness of the shoulders due to rheumatism, and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Batavia, N. Y.

**ARMY HAS TO HAVE MEN TO RUN "TANKS"**  
WASHINGTON, April 22.—Organization of the National Army tank corps was ordered accelerated today by the war department. Announcement was made of the appointment of

157 second lieutenants for the corps. The Tank Corps of the army, recently organized, the members of which are promised overseas duty following short preliminary training in the east, is receiving enlistments, according to the announcement of Edward P. Fogan, County Council of Defense.

Men of the following occupations are wanted: Machine gun mechanics, lathes hands, bench machinists, machine designers, oxy-acetylene welders, auto engine mechanics, blacksmiths, auto electricians, stenographers, typograph operators, typists, chauffeurs, tractor drivers, motorcycles, topographers, telegraphers, wireless receivers, clerks and cooks. Forms for enlisting may be obtained from Arthur P. Webb, Federal Director for California, room 51, State Capitol, Sacramento.

**SELLS BONDS IN SNOWSTORM.**  
BUTTE, Mont., April 22.—Congresswoman Jeannette Rankin of Montana has been denied the privilege of speaking here for the Liberty loan by the local committee. She was billed to speak in the high school last night, but found the door locked on her arrival.

Standing on a fence in a blinding snowstorm, she spoke to 1000 citizens, urging them to buy bonds. The progressive element is enraged at the action and wired President Wilson their protest. The half frozen audience subscribed to \$50,000 worth of bonds.
