MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

Alta Today.

Engineering her own love affair to a triumphant close as well as stage-managing several others, is the task that falls to Vivian Martin in her newest Paramount photoplay, "The Fair Barbarian," written from Frances Hodgson Burnett's famous story by Edith Kennedy and directed by Robert Thornby. A breezy American girl, marooned by circumstances in a sleepy English town, she brings the little township nearly to the point of spontaneous combustion by scandalization. How she wins over the social leaders to her side and makes friends of even her prim and snobbish aunt makes part of a story with all the fascination of which the famous author and popular star are so capable. "The Fair Barbarian" will be shown at the Alta theater today.

Wm. S. Hart in Western Drama, "The Bandit and the Preacher," Arcade Friday and Saturday.

Our old friend Bill Hart will be featured in a play of the western plains called "The Bandit and the Preacher" at the Arcade Friday and Saturday. This feature is a typical Hart picture depicting the free and easy life of the cowboy in the early days of the west before advanced civilization with its many fences put the big herds of cattle out of business. Bill is there as usual with his guns and the bad man is made to be a good citizen. You will enjoy this Hart picture as you have never enjoyed a picture in a long time. Big hearted Bill will make you forget the war and cause you to smile. You sure can't afford to miss it. In addition will be shown Mutt & Jeff in Comic cappers.

PUT OLD ENEMY TO UTTER ROUT

Tells how to lift off that touchy corn without hurting one particle

Hospital records show that every time you cut a corn you invite lockjaw or blood poison, which is needless, says a Cincinnati authority, who tells you that a quarter ounce of a drug called frezone can be obtained at little cost from the drug store but is sufficient to rid one's feet of every hard or soft corn or callus.

You simply apply a few drops of this frezone on a tender, aching corn and the soreness is instantly relieved. Shortly the entire corn can be lifted out, root and all, without pain.

This drug is sticky but dries at once and is claimed to just shrivel up any corn without inflaming or even irritating the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.

"In Old Kentucky."

Who that has seen "In Old Kentucky" can forget that wild and rolicking scene with the forty or more pickaninnies; the great race scene, and the brave ride of the beautiful bluegrass heroine, who, disguised as a jockey, rides her lover's horse to victory; the daring, life-saving swim across the mighty mountain chasm; the heroic rescue of "Queen Bess," the famous Kentucky thoroughbred, from the burning stable; the thrilling and tremendous dynamite explosion, uprooting trees and rocks—and many other striking effects never before seen in any play. "In Old Kentucky" will be presented at the Oregon tonight.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes — pimples — a bilious look in your face — dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

What Are You Buying--- Trucks or Transportation?

Anyone can buy a truck, BUT---

It requires real intelligence to buy transportation

The intelligent truck buyer is not misled by spectacular "stunts." He is more interested in knowing how a truck will perform and stand up under the conditions he wants to use it for. The reliability of the Nash truck to stand up under the hardest tests is the reason of its great success. It is the choice of Uncle Sam's expert mechanics;—THEY KNOW!

We are going to demonstrate the rugged sturdiness of the Nash Quad and Rear Wheel Drive Trucks Saturday, April 27 at 10 a. m. and 3:30 p. m. Be sure to call and see for yourself why these trucks are the most popular sellers on the market today.
