Step Lively! Corns Quit with "Gets-It"

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step? What's the use? Go along "right side up with ease," even with corns, because I use "Gets-It," the painless, off-the-beat, hand-peel corn remover. I tried other ways before, until I was blue in the face and red in the toes. No more for me. Corns simply can't stay on. We use "Gets-It."

Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It" and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It."

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Pendleton and recommended as the world's best corn remedy by Tallman & Co.

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.

Steers Bring Record Price of 15 1/2 Cents

PORTLAND, April 26.—Hits off to F. S. Allen of Forest Grove. He showed the local livestock market some really good cattle and incidentally, as a reward, broke to splinters all previous high priced records of the local market. While he only offered three steers, the sale of those at 15 1/2 to a pound was so much higher than even the previous sensational records that the trade was bewildered. The animals were really baby beef, although slightly too heavy to be considered in that class, and were therefore classed as yearlings by the trade. They averaged 1172 pounds. The record steer was fed on oats and was considered the finest that has entered the local market.

One cow that weighed 919 pounds was also sold by Mr. Allen at 12c a pound because of extreme quality.

These transactions indicate a great strength of the cattle trade generally here. Overnight there were limited arrivals.

General cattle market range:
 Good to choice steers, \$12.00@14.00
 Medium to good steers, 11.75@12.75
 Cows to medium steers, 10.25@11.25

MEAT CAUSE OF KIDNEY TROUBLE

TAKE SALTS TO FLUSH KIDNEYS IF BACK HURTS OR HEAD-ACHE BOOTHERS.

If you must have your meat every day eat it but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expell it from the blood. They become sluggish and weaker, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headaches, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before eating breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure—and makes a delightful effervescent lithia-water drink.
