## GERMAN AGENTS MAY BE FOUND IMPLICATED ATHENA MAN BETTER AFTER MAYO VISIT

WASHINGTON, April 26.—Government secret service men have been working many months on the theory that the preparedness parade explosion in San Francisco might have been caused by German agents. Justice department agents disclaimed, however any knowledge that a reported confession placing the responsibility on German agents was in their possession.

### Exposed Officials Paper Suppressed

COPENHAGEN, April 25.—Chancellor Hertling has taken action against the Deutsche Zeitung because of an article published charging that former Foreign Minister Czernin and former Foreign Minister Czerin during Roumanian peace negotiations at Bucharest "abused the privileges and courtesies extended to them."

### Congressmen Think They Know Just What Pershing Should Do

WASHINGTON, April 26.—The nation's insistent demand for official news about its fighters, straight from American sources and without camouflage, was voted by the house military committee members to the war council this morning.

### Still Sending Men From Russia to West

MOSCOW, April 25.—The Germans are steadily withdrawing troops sending them to France. Polish citizens, refusing to enlist, have proposed a Polish corps to fight with the allies in Flanders.

### L. W. Ware Took Treatment From Famous Rochester Doctors.

ATHENA, April 27.—Jack McCool and his wife visited friends here this week while on furlough. He returned Wednesday morning to Camp Lewis. Elmer Booher of Condon, was in Athena during the week.

### SAMMIE STUNNED BUT ABLE TO SHOOT BACK

By FRED S. PERGUSON (United Press Staff Correspondent). WITH THE AMERICAN ARMY ON THE DORLAINE FRONT, March 14.—The "in hat" adopted from the Brits is saving hundreds of American lives. During a recent shelling of a certain town just back of the American lines shrapnel burst near a group of American doughboys. A piece from the shell clanged against the top of one man's "in hat."

### Down deep in his heart the average man is anxious to see some other man get it in the neck.

"TIGER" AND "GOAT."

Down deep in his heart the average man is anxious to see some other man get it in the neck.

### "TIGER" AND "GOAT."

PREMIER CLEMENCEAU  
COUNT CZERNIN

Because the diplomacy of Count Czernin, premier and foreign minister of Austria-Hungary, caused Premier Clemenceau, the "Tiger" of France, to publish a letter Emperor Karl had written asking for peace with France, Czernin has been compelled to resign. It has been said the letter was really written by the mother-in-law of the emperor, and to save her and himself Czernin had to be the "goat."

# 4178744

The Log of the Test Car Fleet

"Linear Miles, 1,044,686. Tire Miles, 4,178,744."

Thus runs the log of the SIX FLEETS as it sums up the leagues on leagues traveled by the Goodrich Test Cars in their nation wide tire-testing cruise of 1917. That grand total marks the mileage high tide of tire making. Read in it the dawn of a new understanding of tire service, the rise of a new tire standard which includes all other standards—The TESTED of—

## GOODRICH TESTED TIRES

The cold figures of the log underwrite the lasting strength of Goodrich Tires; for no tire could hide a weakness in that multiplied mileage. Those records and the tires stand surety for Goodrich Tires of 1918.

For 1918 Goodrich Tires—look at their generous, masterful size at any Goodrich dealer—took the bulk of the rough going. They measured up to all the Goodrich Tire qualities, and added new virtues.

**BLACK SAFETY TREADS, and SILVERTOWN CORDS, challenged every handicap of road and weather, and defeated them with steadfast dependability and durability.**

You make the test your guarantee of pure food and pure gold. Make it your guarantee for tires, and gain economy, comfort, and freedom from tire mishaps. Demand "America's Tested Tires."

# PAIGE

The Most Beautiful Car in America

## Help The Freight Situation

There is a tremendous movement of freight on the railroads. War supplies are being transported in such vast quantities that congestion is bound to develop at terminal points.

Therefore, the Government has earnestly requested the public to postpone all "unnecessary traveling." It has said in very plain terms—"Please keep off the railroads."

By all means observe this request. Buy a reliable motor car—just such a car as the Paige, for instance—and use it, not only for side trips, but those longer journeys as well. Encourage the Touring Movement. It will help Uncle Sam and afford healthful relaxation for you and every member of your family.
