OVERSTOCK HURTS HOG MARKET AT PRESENT

PORTLAND, May 11.—A plain case of overstock is what is hurting the local market for swine at this time. While the eastern trade was indicating the highest value of the year and was firm at that, recent prices on the North Portland market were scarcely maintained. It took exceptional quality to bring top figures here, for the very good reason that killers are filled with supplies.

While the price of hogs has been lowered, there has been no change as yet in pork products here.

General hog market range:
 Prime Mixed \$17.40@17.50
 Medium mixed 17.00@17.25
 Rough heavies 16.00@16.25
 Pigs 14.30@15.50

Cattle Trade Quiet.
 California continues to send cattle in this direction, and these formed

the only full carload lots in this district for the day, although some mixing car offerings were reported in.

Tread of the cattle market is inclined to dullness, although prices are steady for good stuff.

General cattle range:
 Prime steers \$15.25@15.50
 Good to choice steers 14.80@15.00
 Medium to good steers 12.00@13.00
 Fair to medium steers 8.50@10.50
 Common to fair steers 5.00@ 9.00
 Medium to good cows and heifers 8.00@10.00
 Choice cows and heifers 12.00@14.00
 Common to good cows and heifers 6.00@ 8.00
 Canners 3.50@ 5.50
 Bulls 6.50@11.50
 Calves 3.75@12.00
 Stockers and feeders 8.00@16.00

Mutton Remains Steady.
 Trade in the mutton division of the North Portland yards shows a light volume, but undertone is steady, with former prices generally maintained.

Steadiness was generally indicated in the eastern sheep pens for the day.

General sheep and lamb range:

East of mountain lambs \$17.50@18.50
 Valley lambs 17.00@18.00
 Yearlings 15.00@15.50
 Wethers 13.00@13.50
 Ewes 12.00@12.50
 Shorn sheep and lambs 1-2 to 20 less than loads.

SAMMIES NEW FRIEND IS ARMY "DE-LOUSER"
 BY FRED FERGUSON
 (United Press Staff Correspondent.)
 WITH THE AMERICAN ARMY IN LORRAINE, May 11.—The American army now has "de-lousing" machines. The army medical corps operates them. They look something like big trucks carrying huge casks.

Lies may not be exactly popular in polite society in America, but the folks at home can rest assured that they are recognized in the very best families over here.

After a fellow has served eight days in the front line trenches he may be lonesome for a while after losing his "cooties," but he must be "de-loused."

He strips, throws aside his inlaid-clothes, gets a tingling hot bath with delousing solution, and then gets clean clothing throughout. His delousing clothing goes to the "de-lousing" machine.

The motive power of the automobile carrying the delousing tanks is steam. With the machine standing still, the steam is diverted from the engine into the tanks. The clothing of the soldiers is then thrown into the tanks, sealed up, and—exit—"cooties."

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dazy headache, or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

Tomorrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines, all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside bath. It is said that men and women who try this become enthusiastic and keep it up daily. It is a splendid health measure for it is more important to keep clean and pure on the inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do.

The principle of bathing inside is not new, as missions of people practices it. Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.
