Krisanthos Loukopoulos, or Christ Loukas as he is better known, who was a former library reader, is now at Fort Sam Houston, Texas. He has sent for the reading room several copies of "Trench and Camp" which is a weekly paper published by the Y. M. C. A. giving "army news for army men and their home folks." It is illustrated by cartoons by the soldiers.

The women of Pilot Rock have published a little cook book called "War time recipes" which they are selling at twenty-five cents for the benefit of the Junior Red Cross. Copies may be had at the library. Several of the original recipes were contributed by Mrs. Charles H. Marsh who was invited to Pilot Rock to assist in war food demonstrations.

Is assured by the use of some of these beautiful fixtures of ours. They give a light that illuminates the room perfectly, but that does not tire or strain the eyes. They are not expensive considering their extra efficiency and extra beauty. Why not at least see them?

Livestock Run Light In All Branches at Portland Stockyards

PORTLAND, Ore., May 15.—It was a very small run of livestock in the stockyards at North Portland overnight following the comparatively small showing of supplies Monday.

Killers bid fully steady prices for hogs for there was only a single full load offering. This came from The Dalles.

Cattle Run Is Small.

It was another small run in the cattle yards. Trade was weaker with prices generally sharply reduced. Most of the arrivals came from California, a local meat company bringing in a load from its own feed lots.

General cattle range:

Prime steers	11.50@15.00
Good to choice steers	12.50@14.50
Medium to good steers	11.50@13.50
Fair to medium steers	9.00@12.00
Common to fair steers	8.00@9.50
Choice cows and heifers	12.00@13.00
Medium to good cows and heifers	7.50@9.50
Fair to medium cows and heifers	5.50@7.50

Assist Nature. There are times when you should assist nature. It is now undertaking to cleanse your system—if you will take Hood's Sarsaparilla the undertaking will be successful. This great medicine purifies and builds up as nothing else does.

Some men fall because they waste too much time in fooling over trifles that they could hire a boy to attend to for \$2 a week.

TURN HAIR DARK WITH SAGE TEA

IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

EAT LESS MEAT IF BACK HURTS

TAKE A GLASS OF SALTS TO FLUSH KIDNEYS IF BLADDER BOTHERS YOU.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish, clog up and cause all sorts of distress, particularly backache and misery, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
