### Best Remedy for Whooping Cough.

"Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. H. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.—Adv.

### TWIN BROTHERS AT 60 HOLD THE SAME RANK

**STOCKHOLM, May 15.**—An unusual case of twin brothers who have followed the same career and reached the same position in it is presented by two of Sweden's naval officers, Vice Admiral Wilhelm Dyrssen, who have just celebrated their sixtieth birthday.

Both became sub-lieutenants in the fleet in 1877.

Gustaf entered English service in 1881 and took part in the expedition to Egypt. He distinguished himself by his courage and was decorated with the English medal for bravery at sea, of which he is the only Swedish possessor. Returning to Sweden,

he was for a few years head of Sweden's naval academy, and became vice admiral last year.

Wilhelm Dyrssen participated in the "Vandals" expedition around the world in 1883-5. He is an expert in the artillery branch of the service.

Both brothers are authors of standard works on naval warfare.

### URGES STUDENTS TO PREPARE FOR SERVICE

**SEATTLE, May 13.**—Each student at the University of Washington was urged to train for war service with all possible speed by Dr. Henry Spazallo, Thursday, at the first joint assembly of the university and the naval training station.

"Every student," said Dr. Spazallo, "has two obligations: To stay in college until he is 21 years of age and then to be certain that every minute of the time that he is increasing his efficiency for participation in the war."

Money talks, and money invested in liberty bonds patriotically shouts.

### COLLAR DESIGNED FOR EVENING WEAR

Large collars always in vogue, but until lately the cape collar was one which went straight down the back almost to the waistline. Now the cape collar has taken an airplane spread and widens to envelop the shoulders. The new model is developed in blouse georgette with oriental embroideries of astonishing brilliance.

### BOTH FALL DEAD AT ONCE

**Woman Collapses When She Sees Man Drop.**

**NEW YORK, May 15.**—Jacob Shaplow and Mrs. H. Smallback both fell dead from heart failure today in a house at Rockaway Park where with others they were spending the weekend.

Mrs. Smallback collapsed when she saw Shaplow drop.

### Proper Food for Weak Stomachs.

The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.—Adv.

### Road to Happiness.

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.—Adv.

At the solicitation of delegations from all the towns in the west end of the county, I have announced myself as a candidate for the office of County Commissioner on the Republican ticket, subject to the action of the voters at the Primary Election, day 17, 1918.

If nominated and elected I promise my best efforts for the whole county.

**DRINK HOT WATER AND RID JOINTS OF RHEUMATIC RUST**

Why rheumatism and lumbago sufferers should drink phosphated hot water each morning before breakfast

Just as coal, when it burns, leaves behind a certain amount of incalculable material in the form of ash, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste material, toxins and poisonous-like poisons, called uric acid, is formed and then sucked into the blood where it continues to circulate, collecting grain by grain in the joints of the body much like rust collects on the hinge as shown above.

Men and women who suffer from lumbago, rheumatism or sore, stiff, aching joints should begin drinking phosphated hot water, not as a means to magle relief from pain, but to prevent more uric acid forming in the system. Before eating breakfast each morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This will rid uric acid and then wash out of the stomach, liver, kidneys and bowels the previous day's accumulation of toxins and poisons; thus cleaning, sweetening and freshening the entire alimentary canal, each morning before putting more food into the stomach.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to make any rheumatic or lumbago sufferer an enthusiast on the morning inside bath.

Millions of people keep their joints free from these rheumatic acids by practicing this daily internal sanitation. A glass of hot water with a teaspoonful of limestone phosphate, drank before breakfast, is wonderfully invigorating; besides, it is an excellent health measure because it cleanses the alimentary organs of all the waste, gases and sour fermentations, making one look and feel clean, sweet and fresh all day.

Those who try this for one week may find themselves free from sick headaches, constipation, bilious attacks, slow-moving breath and stomach acidity.

**BACKACHE IS DISCOURAGING.**

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Pendleton people recommend Doan's Kidney Pills. Read this case:

J. R. Stover, 509 West St. Pendleton, says: "Doan's Kidney Pills are all right and I couldn't recommend anything better for backache. Whenever my back gets lame and sore, I take Doan's Kidney Pills for a few days and they never fail to do good work. A few doses stop that aching across my kidneys and make my back feel as strong as ever."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stover had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
