

# SLACKER!

Don't let this yellow, cowardly, duty-dodging name be applied to YOU!

Don't be an ostracized outcast, shunned by every patriotic man, woman and child in your community.

The committees collecting the Red Cross War Fund are giving money and their time freely and cheerfully.

Every cent collected goes to the Red Cross for Relief work.

If the committee did not see you look them up or go to the headquarters office in the Elks building and make your donation—someone is always there and they have your name and know your quota.

This is not an investment for financial gain,—neither is it charity—IT IS YOUR DUTY!

Listen to your conscience,—not your pocketbook.

Prove your loyalty. Feel your Americanism. Back up your government. Help the boys fighting for YOU "over there."

**KEEP RIGHT IN YOUR COMMUNITY!**

Loyal Americans have no time for SLACKERS with the Nation's existence at stake. Don't allow your name to be turned in on a yellow card with the consequences attached thereto.

Work and give or shoulder a gun. Your quota is small—

## GIVE IT TODAY!

### EVERY CENT OF EVERY DOLLAR RECEIVED FOR THE RED CROSS WAR FUND GOES FOR WAR RELIEF

The American Red Cross is the largest and most efficient organization for the relief of suffering that the world has ever seen.

It is made up almost entirely of volunteer workers, the higher executives being without exception men accustomed to large affairs, who are in almost all cases giving their services without pay.

It is supported entirely by its membership fees and by voluntary contributions.

It is today bringing relief to suffering humanity, both military and civil, in every war torn allied country. It plans tomorrow to help in the work of restoration throughout the world.

It feeds and clothes entire populations in times of great calamity.

It is there to help your soldier boy in his time of need. With its thousands of workers, its tremendous stores and smooth running transportation facilities, it is serv-

ing as America's advance guard—and thus helping to win the war.

Congress authorizes it.

President Wilson heads it.

The War Department audits its accounts.

Your Army, your Navy and your Allies enthusiastically endorse it.

Twenty-two million Americans have joined it.
