

NEWS NOTES OF PENDLETON

Teachers Leave for Homes.

Miss Katherine Hoag, who has been domestic science teacher in the high school and Miss Ethel Rodgers of the Hawthorne school, left yesterday afternoon for their homes in Spokane.

Is At Portland Hospital.

Carl Hudemann returned last night from Portland where he has spent the past two weeks. Mrs. Hudemann who has been in poor health for some

time, remained in Portland where she is receiving medical treatment at one of the hospitals.

Back From Biological Trip.

E. P. Ayvill returned last evening from a trip to Crook, Jefferson, Deschutes, Lake and Harney counties, where he went on business connected with the Biological survey.

Baker Co. Cattle Man Here.

Nelson Manela, a prominent cattleman and rancher of Halfway, Baker county, in Pendleton. Mr. Manela is enjoying a pleasure trip through the country in his car.

At St. Anthony's Hospital.

Mrs. M. C. Collett and children of Echo, returned home this morning after a visit with Mr. Collett, who is being treated for throat trouble at St. Anthony's hospital.

Will Study at Chicago.

Miss Malen Burnett gave her last lessons here yesterday, returning to her home at Walla Walla last evening from where she leaves for the east Sunday. Miss Burnett will study for six weeks at the American conservatory at Chicago then will continue to Virginia for a visit.

Will Teach at Echo Next Year.

Miss Anna Brown, who has been teaching at the Freewater school the past term, was in Pendleton last night to take the train for Clatsop.

New Mexico, where she will visit with her father. From there she will go to Omaha for a stay with other relatives. Miss Brown will teach at Echo next year.

Pendleton Man in List.

In a folk count draft list issued this week by Sheriff John W. Orr, appears the name of Paul M. Skeels, Pendleton.

Will Live in Portland.

Mrs. A. A. Willis left this morning for Heppner, where she will visit before going on to Portland to join her husband and sons. The family will reside in the latter city.

Is Buying Local Wool.

Jacob Scheuerman of San Francisco is here making wool purchases under the new plan of government price fixing.

Returns from Trip.

Luther J. Goldman of the local biological survey office, returned this morning from southern Idaho, where he has spent the past two weeks in attending to business for the survey.

First Over Top.

J. H. Price is a business visitor in Pendleton from Weston. Mr. Price had charge of the Red Cross drive at Weston and it was largely through his efforts that his district was able to report "over the top," the first district in the county.

Cars Came Together.

Robert Hoelt of Pilot Rock, on the road to Pendleton this morning in his Palco car had his car considerably damaged in a collision with a Geo. driven by Mr. Strong. New fenders and running board on one side and a new spring or two will repair the damage.

Has a New Combine.

A reminder that harvest will soon be here, at least that farmers are getting ready, was noted in front of the E. L. Smith company this morning, where a large caterpillar was hooked on a new combine harvester going to the John Crowe ranch.

Operator Goes for Visit.

Miss Ruth Hart, telegraph operator at the O.-W. R. & N. passenger depot, has gone for a few days' visit at Duncan. Mrs. A. Woods of Gilboa, has come to handle the work during Miss Hart's absence.

Neel in Y. M. C. A. Work.

J. P. Neel, Walla Walla lawyer and former attorney at Freewater, has been accepted for Y. M. C. A. work. While at Freewater he ran for the district attorney nomination against Fred Stelwer, being defeated by Mr. Stelwer.

Principal Going to Portland.

H. T. Drill, for the past two years principal of the Pendleton high school, leaves Monday noon for Portland where he plans to spend the summer. He may attend the graduation exercises of the University of Oregon of which he is a graduate, next month.

Mayor Vaughan Returns.

Mayor John Vaughan has returned from attending the war conference in Portland which he says was a very successful affair. He was informed by Fuel Administrator Holmes that the Oregon fuel situation is in good shape, most consumers placing their orders early.

Brother Seriously Injured.

Mr. and Mrs. J. O. Bayne of Nebraska, who have been visiting at Nampa, Idaho, were here for a short time this morning on their way to Hardman where Mrs. Bayne's brother has just been seriously injured in a runaway. The brother, W. J. Gleese, was driving a four-horse team which plunged over an embankment.

Grain Stands Cold Weather.

Hugh Bell, who is in town today from his farm north of Helix, says the fall sown wheat in his section is doing well despite the cold weather. He feels there is sufficient moisture to prevent any present danger from the cool weather. Other farmers vary in their opinions as to the effect of the weather, some asserting warmer weather is needed.

Good Luck on Meacham Creek.

Reports of the fishermen on Meacham creek yesterday are that fish were jumping for the flies and that everybody got the limit.

Pete Shaver, Loren Hoover and a Mr. Gardner are among those reported as having caught the limit. Fishing is said to be much better this year than last and much earlier. There was no fishing last season before the 12th of June.

First Fruit to Pendleton.

The first fruit to be shipped out of Hermiston this season left Monday for Pendleton, when H. E. Hanby expressed two crates of gooseberries, one going to Alexanders and the other to the Peoples Warehouse. For some time prior this fruit has been on the local market, together with asparagus, and occasionally a few boxes of early strawberries.—Hermiston Herald.

Fishing Party Has Great Sport.

Wesley Matlock, Guy Matlock, Dean Shull and Albert Humphrey are home from a fishing trip of ten days in the Deschutes country. They arrived last evening for an answer to the question of "what luck?" a person need but see the display of their catch in the Sol Baum window in the Pendleton Hotel building. In this display the fish range in length from 12 inches to 21 inches, weighing as much as four pounds. The trip was made from Pendleton by auto, covering a distance of about 500 miles. They camped four days on Crooked river where they had some splendid fishing, but the best luck was in the Deschutes, on Crane Prairie, about 40 miles above Bend. Many of the fish caught were salted while others were smoked for keeping.
