Activities of 6 Day Period Show Yanks "Meet All Army Demands."

WITH THE AMERICANS IN (FRED EBRIGSON.)

FRANCE, June 10.—One thousand Americans carrying two days' rations, were barring the road to Paris at Chateau Thierry at 9 o'clock on the morning of June 1.

On the night of June 1 the French reported a two and a half mile gap in the line near Chateau Thierry.

An official report of the commanding general declares that considering the activities of the six day period, "these men have conformed to the best traditions of the army and are meeting all demands made."

LARGE BARN BURNS; SET AFIRE, BELIEF

William Johnson of Near Adams Loses Harvester and 10 Horses.

A large barn on the old Charles Johnson place about five miles west of Adams in the Greenwood country, was burned to the ground about midnight Friday.

The barn is believed to have been fired by a man or some men who drove up in a car late in the night.

Mr. Johnson has just repainted and remodeled the barn, which was a large substantial one.

Loss About \$4000.

Later—Sheriff T. D. Taylor went out yesterday to make investigations of the matter.

MARNE MORE QUIET

WASHINGTON, June 10.—General Pershing reported the enemy made fresh night attack north of Chateau Thierry near Boursches, preceded by artillery preparation and accompanied by heavy machine gunning, but it broke down with severe German losses.

LANSING DISCLOSES ADDED TREACHERY OF VON BERNSTORFF

SCHNECTADY, June 10.—Secretary Lansing addressing the Union college, said: "We may in this great conflict between civilization and savagery, go down into the valley of death's shadow because the foe is powerful and injured to war, but we must prepare to meet disappointments and temporary reversals, and must, with American spirit, rise above them."

Lansing scorned Germany's crookedness and said the fact is not generally known that within six weeks after the imperial government gave solemn promises to this government that it would cease ruthless slaughter on the high sea, Bernstorff, apopretating the worthlessness of the promise, asked the Berlin foreign office to advise him within ample time before the submarine murder campaign was renewed.

ROY RITNER WRITES FROM CITY OF PARIS

Will Soon Be Assigned to Red Cross Duty With Captain's Rank.

"Paris is the most beautiful city in the world," declares Roy W. Ritner in a letter received by a friend here today. Mr. Ritner had been in that city 10 days when the letter was written on May 31.

Mr. Ritner, who was secretary of the Unaffiliated Red Cross chapter, business manager of the Round-Up Association and one of the larger farmers of the county, sailed from New York on April 24.

It was hard to realize that he was only 60 miles from the German war zone, he wrote. There had been two air raids while he was there, but they had been in the suburbs.

Washington, June 10.—New secret methods of operating against German submarines off America are effective today.

These plans were communicated to Admiral Winslow, inspector of Atlantic naval districts, who conferred this weekend with Admiral Benson.

BOLSHEVKI FACE CERTAIN COUNTER PRO-HUN REVOLUTION

STOCKHOLM, June 10.—The counter revolutionary movement in Russia is growing. The bolsheviks are living their last days.

Unless the present regime is overthrown by other revolutionary democratic parties, the monarchial supporters will revolt.

The bourgeois have virtually restored the old regime in Ukraine and Finland and in the Don region.

The bolsheviks themselves admit "we are already a corpse but there is no one to bury it."

Lansing scorned Germany's crookedness and said the fact is not generally known that within six weeks after the imperial government gave solemn promises to this government that it would cease ruthless slaughter on the high sea, Bernstorff, apopretating the worthlessness of the promise, asked the Berlin foreign office to advise him within ample time before the submarine murder campaign was renewed.
