FARMERS DISCUSS PLAN FOR UNIFORM WAGE FOR WORKERS

Two Days' Event Most Successful; H. J. Taylor New President.

Eastern Oregon farmers are in Pendleton today for a conference to adopt a uniform scale of wages to govern harvest work. The large number in attendance at the conference shows great interest in the question on the part of farmers in all parts of the inland empire. With the need of greater crop production because of war conditions, the greatest in the history of the world and the heavy calls upon man-power to keep up the armies, the question of farm help becomes more and more important all the time. It is to solve this question and to decide what will be paid help today's conference is being held. From 10 o'clock till noon the meeting was in session at the library building, the time being devoted to discussion of the question of the need of a standard wage scale or some plan for stabilizing the wages paid on farms. It seemed to be the general opinion that while it would be difficult to follow a hard and set rule some effort should be made to have some understanding upon this important question. The meeting was adjourned at 12 o'clock to meet again at 1:30, at which a committee on resolutions would report on the scale to be adopted. Following is the Wage Committee: J. H. Anderson, Garfield county; E. J. Cantonine, Walla; J. C. Scott, Washington at large; Walter A. Grover, Baker county; J. E. Reynolds, Union county; A. P. Davidhiser, Walla county; T. P. Gilliland, Umatilla county; F. R. Brown, Morrow county; J. A. Smith, Gilliam county; A. H. Barnum, Sherman county; A. W. Woule, Wasco county; George Hardie, Gilliam county. J. W. Brewer of Portland, Oregon representative, is presiding at the meeting, and M. S. Shrock, Umatilla county agent is secretary of the meeting. Present at the conference are: E. V. Wilcox, Washington, D. C.; H. A. Lyon, Cheyenne, Wyo.; D. W. Thomas, Denver, Colo.; M. C. Evans, Portland; J. W. Watson, Salt Lake; G. P. Thomsen, Boise, Idaho. Among the delegates are the following: Henry Sneed, Walter A. Grover, Frank Leonic, Chas. Hutchinson, H. E. Logan, Judge Wm. Duby. Union county—P. H. Spillman, J. E. Reynolds, Chas. Playle, Duncan McDonald, Floyd McKennon, Arch Connelly, Wm. Ledbetter. Morrow county—F. R. Brown, C. R. Foltner, H. B. Smith, Paul Reitman, C. M. Schriver, Emil Carlson, E. B. Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage. There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hacking and spitting and other distasteful features. The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications. S. S. E. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. You can obtain special medical advice without charge by writing to Medical Director, 21 Swift Laboratory, Atlanta, Ga.

and Miss Gladys E. West of Hermiston. The young people left on No. 17 for Portland, where they will reside.

Will Visit Sister. Miss Bether Richardsen of this city, left yesterday for Helix to visit a week with her sister, Mrs. W. T. Pierce.

Home From St. Helen's Hall. Miss Leta Kopitke is home for the summer, arriving last evening from Portland, where she is a student at St. Helen's Hall.

Died at County Farm. H. Shelley of Milton, died at 11 o'clock last night at the county farm at the age of 74. He had been living at the farm off and on for several years, but had been away for a little time, returning only five or six days ago.

Businessmen Return to City. R. M. Crommelin, manager of the Pendleton roller mills, arrived home yesterday from a short outing at Seaside. James E. Wyrick and H. W. Collins, also prominent business men, are back from trips to Portland. Mr. Wyrick also transacted business in Seattle and Tacoma while away.

Had Party Too Soon. A badly disappointed group of friends who had arranged a little welcoming party yesterday afternoon were outwitted by Henry Denis and his bride, who arrived from Portland this morning, instead of last night as planned. A nice plainly lettered "Just Married" sign, and a beautiful (?) wreath "In memory of Henry Denis" had been prepared, and the members of the party had even been sent extravagant and bought a whole sack of rice. After the preliminaries were over, the bride and groom were to be hoisted up town in a good substantial truck, with various tin can musical selections and other features. The crowd went to Rieth after they found Mr. and Mrs. Denis were not on the train, but were disappointed there also.

May Get Home Demonstrator. Umatilla county may secure a home demonstration agent for service here this summer without any expense other than to provide a Ford car for traveling. The government will supply the agent, pay all expenses including the upkeep of the car if the offer is accepted by the county. The subject has been brought to the attention of the county court by Mrs. J. B. McCombs of the department of agriculture who is so where. She will talk on the subject tonight at the War Savings

Society's meeting at the library. It is understood the county court is favorable to accepting the government's offer if public sentiment is favorable.

License to Wed. In the county clerk's office this morning a license to wed was issued to Verlin E. Graham of Pendleton and Gladys E. West of Hermiston.

Here Opening Campaign. No quotations are available for barley, but an opening bid is expected within a few days because of the movement of the new California crop.

Will Go Over Classification. The Umatilla county draft board will in the near future start a revision of the classifications of registrants in the county. It is for the purpose of correcting any errors or injustices that may have been made in the previous classification.

General Died in France. Brigadier General R. E. L. Mielke, who recently died in France, was a paymaster of Norborne, Nebraska, of Pendleton, democratic nominee for state senator from the 19th district, Washington, Virginia, where General Mielke was born, was also the birthplace of President Wilson.

Injured in Auto Accident. O. C. Wagner of Adams is at St. Anthony's hospital, suffering with a broken arm, occasioned Sunday evening when the Ford runabout in which he was riding ran into a ditch immediately after passing a larger car in which were Rev. and Mrs. J. E. Snyder and Mr. and Mrs. J. W. Maloney. The accident occurred about eight miles out of town, and it is thought Mr. Wagner was momentarily blinded by the lights of the other car. He was brought to the hospital in the large car and was attended to immediately. His machine turned completely over but it is not thought to be greatly damaged.

Houser Will Watch Grain Bag Market; For Exorbitant Price

PORTLAND, June 10.—That no holdup of wheat growers in regard to grain bag prices will be allowed by the government is the gist of recent statements of Max H. Houser, Pacific Northwest representative of the grain corporation. The government some time ago made arrangements for the importation of liberal supplies of bags and

these will be used to keep the price to farmers within reason. Fears have been expressed by many growers that they would not be able to secure bags except at ruinous values, but Mr. Houser announces that these fears are groundless and wheat growers at least will secure their requirements. Steady conditions are again shown in the oats market, but there continues a general lack of business, so far as sales by the country to dealers are concerned. No quotations are available for barley, but an opening bid is expected within a few days because of the movement of the new California crop.

LABOR MEN TALK OF WINNING WAR

(By United Press.) ST. PAUL, Minn., June 10.—Labor's part in winning the war is the chief topic of discussion at the annual national convention of the American Federation of Labor, which opened in the municipal auditorium here today, to remain in session until June 22. For the first time in the history of the federation, it is said, the federation convention was not addressed by the governor of the state in which it met. J. A. A. Burquist, governor of Minnesota, was not invited to welcome the delegates, as a result of long standing ill feeling between him and the Minnesota Federation of Labor. J. M. Clancy, president, St. Paul Trades and Labor assembly; E. G. Hall, president Minnesota Trades and Labor assembly, and L. C. Hodgson, mayor-elect of St. Paul, welcomed the delegates. Samuel Gompers responded. Representatives of the British and Canadian labor assemblies will talk during the convention. A representative of the federal government is expected late today. Carl Van Dyke, congressman from this district, came back from Washington to talk. The only important convention fight, it was predicted today, will be that to elect Frank Morrison, secretary, and J. P. Valentine, third vice president of the executive council.
