The programs of the company are chosen from the works of the masters, and a brief and comprehensive explanation of each number precedes its presentation, adding much to a proper understanding of the music. To enable a company of five to secure symphonic effects a special reed organ is carried. Each member of the company is a soloist, and Mrs. Emma Bruce Beck is a singer of rare ability and charm. Lad Arrested For Impersonating His Brother, a Deserter

LONDON, June 13.—After fighting in sixteen days of the bloodiest battle of the war, the Kaiser's battle, Albert Stevens, 15 years old, was arrested for impersonating his older brother, a deserter. The lad's old brother was home on leave when he decided not to be a soldier any more, and the little fellow jumped at the chance of taking his place. Wearing his brother's uniform, he went back to his brother's unit at the end of the latter's leave, arriving just in time to be in the big battle. The authorities since have decided that Albert's fighting enlist makes up for the years he lacks, and he has been allowed to join a battery in the royal field artillery.

Grandma Talks About Babies

Have Large Circles of Listeners Who Profit by Her Wisdom and Experience.

In almost any community there is a grand old lady who knows Mother's Friend. Not only is she a reminder of her own experience, but it was through her recommendation that so many mothers have learned about this marvelous remedy.

Mother's Friend is an external application prepared especially for expectant mothers after the formula of a noted family physician. It certainly has a wonderful effect in relieving leg pain, cramps, and aching muscles, and is a most grateful encouragement to the woman awaiting motherhood.

The action of Mother's Friend makes the muscles firm, pliant and supple. When they arrive they expand easily, and the danger at the critical moment is lessened and in place of a painful, strained and convulsed trunk, it is a secure and happy delivery.

Mother's Friend enables the mother to preserve her health and natural grace and she remains a pretty mother by having avoided the pain and suffering which often attend otherwise avoidable such an occasion.

Write the British Regulator Co., Lamar, Pa., for their "Mother's Friend" and you will receive a free trial sample. In the meantime do not be any closer to a purchase of Mother's Friend from the druggist and thus help yourself against pain and discomfort. Mother's Friend should be available night and day.
