The score of the affair was the C. D. Anderson home, 615 Washington street, and hostesses who planned the pretty compliment were the misses, Mona Anderson, Nydia Anderson, Margaret Humphrey, Marie Fletcher, Mrs. Murphy and Alberta McKenzie. The list included, besides the honor guest and hostesses, Miss Ruth Snow, Miss Mary Clark, Miss Helen Sims, Miss Neal Grace, Miss Edna Murphy, Miss Grace Blinn, Miss Garnet Jack, Wayne Field, David Swanson, Orval Swanson, Elva Seibert, Francis Rose, John Simpson, Richard Sims, Robert Fletcher, Russell Vaughan, Claud Snow, Warren Embury, Levi Anthony, John Corbett, Buford Bibbee, Burnell Stewart, Ben Smith, and Jack Luck.

One of the prettiest June weddings was solemnized Wednesday at two o'clock when Miss Zena Lansdale became the bride of Jacob Narkaus at the home of Mrs. W. B. Mays on Water street. The bride, a charming young lady of the brunette type, was gowned in all white satin and georgette crepe, with a graceful veil of tulle and wore a bouquet of bride roses. The young couple were attended by Mr. and Mrs. Chester Gordon. The Lohengrin wedding march was played by Mrs. Day. The rooms were artistically decorated with huge roses and green foliage of the season. The happy young couple were recipients of many and useful gifts.

After the guests had extended congratulations to the couple refreshments were served. The guests included were Miss Lizzie Lansdale, Miss Mary Lansdale, Mrs. Dick English, Mr. and Mrs. W. J. WASHINGTON, June 19.—Eighty per cent of the soldiers wounded on the fighting fronts of France and Flanders, who originally remained at military hospitals for months, are now cured and returned to the front in three to four weeks. Surgeon General Gorgas declared today.

After completing these courses, the surgeons will return to their own hospitals and instruct other surgeons.

Surgeon General Gorgas receives the earliest possible information of changes in treatment from the American expeditionary force, which is at once transmitted to the special classes.

## MORE JAP WARSHIPS WANTED IN EUROPE

WASHINGTON, June 19.—Japan may increase her naval force in the Mediterranean and as a result of negotiations now in progress. She now has one squadron of torpedo boat destroyers in the Mediterranean, which is considered the most dangerous sea to navigate, owing to the large number of enemy submarines operating in it.

U-boats are shipped from Germany to Pola, the Austrian naval base, there assembled and floated. The increase of naval activities in the Adriatic during the past two months has been due to the increasing strength of enemy submarines in the Mediterranean, it was learned today.

There are three strong naval forces in the Adriatic—Italian, French and British—but their combined efforts have been unable to keep U-boats out of the Mediterranean. They find passage in deep waters near the eastern shore of the Adriatic.

## COURAGE OF FRENCH RISES WITH DANGER

PARIS, June 19.—An appeal by the Radical Republican League to the French people, protesting the certainty that the German armies will be broken against a steel wall and ask the citizens to uphold the valorous soldiers, in imitating their by showing inflexible will, a calm heart and a clear mind.

"We must neither disguise nor exaggerate the danger," says the appeal. "If it increases, so too will our indefatigable resolution increase. So it was with our fathers in '94 against the whole of Europe combined, endangering the revolution and the future of all democracies by endangering France."

## U. S. Soldiers Brave, But Lack Technical Skill, Says German

AMSTERDAM, June 14.—The aid the American army is bringing the allied forces in France is made high of by Lieut. Gen. Baron Armand von Ardenne, military expert of the Berlin Tageblatt. He says:

"The artillery counter action by the Americans was conspicuous by its absence in the fighting at Belleau forest on June and 8. It seems there-

## WHILE AT WAR WOMEN SUFFER AT HOME

Eckhart, Ontario.—"I certainly owe a great deal to Dr. Pierce's Remedies; three different times they have saved my life. One time I had trouble with my lungs and the doctor said that I could not get well. I took Dr. Pierce's Golden Medical Discovery and it cured me. During another illness the doctors said there was no chance for my recovery. I took two bottles of Dr. Pierce's Favorite Prescription and got well. Again doctors said that the only thing to save my life was an operation, and at once, too. I again took the 'Favorite Prescription' and the 'Golden Medical Discovery,' and they brought me through just fine—well, and without an operation, so I cannot speak too highly of these wonderful remedies."—Mrs. ALMA J. LAVIS, 605 W. 3d St., Roseburg, Oregon.

"During my pregnancy I was so poorly I could not keep a thing on my stomach and my head and back ached terribly all the time and I was so nervous. A friend told me about Dr. Pierce's Favorite Prescription. I took three bottles and never had any trouble afterward. The first dose helped me. My baby was a nice, healthy child. I think the 'Prescription' is simply great. I am glad to recommend it."—Mrs. C. A. Fuxs, 551 Mosler Street.

"Favorite Prescription" and "Golden Medical Discovery" are both put up in liquid and tablet form. Not obtainable at dealers, send 10 cents to Doctor Pierce, Invalids' Depot, Buffalo, N. Y., and he will mail trial package of either tablet.

fore, that the American command has not fully tested the principle of joining the two arms of the artillery and infantry. Despite the great bravery shown by the American division in action, it obviously lacks tactical skill in battle routine.

"The American auxiliary army now abroad is probably similarly affected. Hence, if present experience permits
