Trapper Very Ill.
Alex Collett, a trapper of the Butter creek section, for the U. S. Biological Survey, is seriously ill at St. Anthony's hospital with some throat infection.

Making New Ford Out of Old.
George Powers, who lives on Tustin street, this city, will soon have a brand new Ford out of an old one. He has taken the wheels, frame and engine of his old car, and is fitting a spick and span new 1915 Ford body onto them, and expects to be ready to travel by this evening. Mr. Powers started on the job Wednesday morning and says he's finding it quite

a task, but thinks the plan will work all right. Mr. Powers expects to go out to Helix tonight to repair and run a combine harvester for Otto Serrell.

Car Turned Over With Him.
A local physician was called to Nolla yesterday to attend Thomas Kerr, who is suffering from some broken ribs occasioned when his car turned over with him on a hill. The trouble was caused by the brakes refusing to work.

Honor Guard to Fix Lunches.
The Pendleton Honor Guard girls are arranging to fix light lunches for the 72 drafted men who leave Tuesday morning to supplement the food the boys will get on the train. A little box containing bananas, oranges, cookies and candy or nuts will be given each boy.

Engineer Back on Run.

Goes to Visit Brother.
Miss Zeila Follett, who has been teaching in district No. 79, out from Helix, has closed her term of school and gone to Durkee for a few days' visit with her brother, Elbert. Miss Follett will return and spend the summer in this vicinity.

Butter Creekers to Hop.
"The real thing in a terpsichorean joyfest" will be held at the Butter creek hall Saturday night, June 22, according to handbills received here. There will be melodious jazz music from Pendleton, and fodder (not alfalfa) will be served the festive trippers in the hall.

Spending Summer at the Mine.
Frank Saling and family are in Grant county to spend the summer at the Buffalo-Monitor mine, near Granite. They made the trip by auto and are looking forward to a most enjoyable vacation in the high mountains. The Buffalo mine has been producing some very rich gold and silver ore.

Today Longest of Year.
Today, June 21, is the longest day of the year, counted according to the hours of daylight. From now on, the days will begin growing slightly shorter, reaching the least hours of daylight on December 21. Two days of the year, September 22 and March 22, have equal hours of light and darkness and these points are called the equinoxes.

Elks to March in Body.
A committee was appointed at last night's meeting of the Elks' lodge to "round-up" the membership so they will turn out in body for Tuesday's demonstration.

Predicts Short Harvest Season.
E. L. Smith of the E. L. Smith Co. predicts this will be a short harvest season compared with other years. This is of course on the assumption that the usual number of harvest machines are used.

Oldtime Resident Here.
Will Gillette, an old time Umatilla resident and threshing-machine man, is down from Calgary, Canada, where he is farming. Mr. Gillette's old home is at Echo and he will probably visit there before returning to Canada.

Moro Boys in City.
George Miller, Conrad Ringer and John Shmeier, drove in last night from Moro and are registered at the Golden rule Hotel. The boys are looking about to see the prospects for work in this vicinity.

Moonshiners' Still Displayed.
Considerable interest is being attracted to one of the display windows of the George C. Baer Hardware company in which is shown the old copper still and cooling box of the Butter creek moonshiners. A number of photographs of their mountain hideout are also shown.

Best Guessee Gets Flag.
A novel display is made at the Economy drug store, where a window full of balloons are tossed about by an electric fan. The person who guesses nearest the number of balloons in the window will be given the large American flag displayed on the wall. The contest ends at 8 o'clock tomorrow night.

New Bootback Stand.
Al Richardson is installing new equipment at his bootbacking stand on Main street at the O. G. barber shop. Fine upholstered chairs and a white marble stand, it will be just the place to make a man feel good to get a shine.

To Attend Family Reunion.
Mr. and Mrs. L. L. Mann and children, Fay and Layton, left this morning for McMinnville, where they will attend the annual reunion of Mr. Mann's mother's people, the Cooper family, tomorrow. The Coopers are old pioneers of Oregon and the yearly gathering is an event looked forward to by all members. Mr. and Mrs. Mann will visit with one of his brothers in Portland, before returning home.

Wants a Safe and Sane Fourth.
Harvey Wells, state fire warden, has written to Mayor Vaughan requesting that strict regulations be adopted in Pendleton this year against the use of fire crackers or fire works of any kind on the Fourth of July or at any other celebrations. He fears that people who are inclined to commit acts of incendiary character will take advantage of such opportunities to commit such acts. The same request is being sent to all the towns of the state.

Four-Minute-Men Notified.
G. C. Matlock, chairman of the "four minute men" division for Umatilla county, is today notifying his men to get ready for the W. S. S. campaign which opens the 24th. Tonight at 8:30 at the Alta theater J. H. Gwin will give a four-minute talk on savings stamps. Mr. Matlock requests that during the big drive he be notified of all gatherings of every kind and he will provide a four-minute man, and in a request of the government that every meeting during the week be attended by one of these men. Th

tended by one of these men. The vital importance to the government, and the organization looking after this feature is controlled directly from Washington.

Received License.
A marriage license was issued from the county clerk's office yesterday afternoon to Fred Horn and Bonnie Morris, both of Pilot Rock. Mr. Horn is a young farmer of the Rek country.

Picnic Was Big Success.
Yesterday's picnic on the Reservation along the banks of the Umatilla River, evidently sounded good to a lot of people, for about 200 Methodist Sunday school members and their friends enjoyed the picnic lunches, the swimming and other attractions.

Hottest Night Ever Experienced.
Last night was the hottest ever experienced in Pendleton since the official records have been kept. The minimum was 74 degrees, which is two degrees higher than the next warmest night, which occurred in August, 1914.

Must Be at Courthouse at 3 p. m.
The local draft board wishes to call attention to the fact that all boys under 25, shall report at the courthouse not later than 3 p. m. on the afternoon of June 24.

Mother Died at Hillsboro.
Le Garrett received the sad news of the death of his mother, Mrs. L. H. Garrett at Hillsboro. Mrs. Garrett was 83 years old last February and her death was due to old age. She was well known in Pendleton, having resided here until about seven years ago. The funeral will be held next Sunday at Hillsboro.

Hungarian Phensants.
Albet Gilliam, a well known rancher of East Birch creek, is in Pendleton today with his family. He brought in with him a brood of young Hungarian pheasants hatched out by a kintam hen, and is turning them over to Deputy Game Warden Tomkin. The eggs were found floating on the water in an irrigating ditch at Mr. Gilliam's farm and were placed under the hen, eight of them being hatched out.

To Supply All Umatilla Boys.
In order to supply every boy who leaves Umatilla county with a comfort kit and housewife, the local Red Cross chapter is preparing to make 500 each comfort kits and housewives. Mrs. Harry Chambers is head of the comfort kit committee, and as each boy leaves, she gives him a card to send back to the chapter for his comfort kit, just as soon as he is assigned to a training camp. Mrs. Charles Bonney is in charge of getting the housewives made.

Many Transferred to Other Boards.
E. O. Draper, clerk of the local draft board, is checking up the men to leave in the draft call to leave next

Tuesday, finds that of the 72 men called from Umatilla county 29 have been transferred to other boards for induction, and that to replace these 29 there have been 11 transferred to the local board.
