

PASTE *the* KAISER

WITH

W. S. S.
ON June 28th

Paste him in the eye with a War Savings Stamp—then paste him again and again. Don't think that you have already done your duty. Pershing's men "over there" don't go home after their first battle—they go after the Huns again—they keep on pasting the Kaiser.

Your government has officially set—

Friday, June 28th

National War Savings Day

Umatilla County will start its drive on Monday, June 24—over the top by June 28

During this drive every American is summoned to "sign the pledge"—to save and invest in a definite amount of War Savings Stamps each month.

Every real American will prove his patriotism by agreeing to regularly paste the Kaiser.

*W. S. S. cost \$4.17 in June,
Worth \$5.00 on Jan. 1, 1923*

"Sign the Pledge" by June 28th. Paste the Kaiser with War Savings Stamps.
