### Astoria is to Have Big "Moving Picture"

ASTORIA, July 31.—Astoria has a moving picture. He came slipping in Astoria last Monday and plans to make this city his home.  
L. E. Howard of the Metropolitan Life Insurance company, was in Portland last week and while there he met Chas. H. Moray, whom he had known for a number of years. Mr. Moray is an old time life insurance man and after a great deal of difficulty Mr. Howard persuaded him to come to Astoria and enter the life insurance field once more. Being a very modest man and not desiring publicity he had seen in Astoria several days before an Astorian reporter heard of him. After persistent questioning Mr. Moray admitted that he had played in the movies and that he took the part of General Robert E. Lee in the "Birth of a Nation." This part was given him because of his striking resemblance to that famous general.  
He has also played with Mary Pickford, taking the part of her father in "Wild Rose." Other stars with whom he has appeared are Douglas Fairbanks, Mae Marsh, Gertrude Farrar and Dorothy Gish. He first became interested in the moving picture, he said, when he was one of a number of extras who played in a historical production. After that his type was much in demand for the parts of professional men, statesmen and diplomats.  
He has appeared with everyone of the 20 photoplay concerns located in southern California.

BALTIMORE, Md., July 29.—The director of compulsory work luncheon Societies, Nicholas, a prominent vendor, is not employed in a useful way. After lengthy argument between the committee and the compulsory work bureau officials, Societas and four other vendors were released for a hearing on July 31.

### HIS PATRIOTISM IS REAL

Obtain Who Wears Flag as Necktie Gives Money to Soldiers.  
OTTAWA, July 21.—When Ezra Warren, who lives near Leipsic, comes to town he always wears an American flag around his neck. He's proud of his country. He fought in the Civil War.  
And he's proud of American soldiers in the world war. Today he came to town. He wore his flag as usual and brought with him many dollar bills.  
He left town still wearing his flag, but some of the 1000 selective service men who left for a southern camp carried away with him one of Ezra Warren's dollars.

**Small Lot of Hogs Goes at \$18.40; a New Summer Record**

PORTLAND, July 31.—Indicating the great strength of the swine market at North Portland, was the sale here during the day of a small lot of porkers at \$18.40 per hundred pounds, a new high summer price record. The price received is within a dime of the highest figures on record at North Portland.  
While only a few head were sold at the extreme level for the day, the buying indicates that with proper quality and larger lots offered the higher figures would have become more general.  
Only a small movement was shown to the yards overnight and offerings were quickly snapped up.

### DOINGS OF THE DUFFS IT WOULD MAKE ANYBODY SICK.

### IF BACKACHY OR KIDNEYS BOTHER

### EAT LESS MEAT, ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST.

Uric acid in meat excites the kidneys. They become overworked, get sluggish, aching, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, gets sour, tongue coated and you get sour tongue coated and you feel rheumatic twinges when the weather is bad.  
Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.  
Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

### U. S. Congressmen Visit Italian Battle Front

ROME, July 21.—The congressional party, led by Representative John N. Tillman of Arkansas, is receiving all kinds of attention in the Italian front. English speaking officers were attached to them, and provided with automobiles from the supreme command, the congressmen visited the whole front from the lower Plave up to the mountains.  
They saw the wreckage of the bridges, pontoons and boats used by the Austrians during their last offensive and admired the magnificent results constructed by the Italians, which reach even the highest mountains, rendering the rapid concentration of troops possible at any point.  
But they were above all impressed by the Arditi volunteer troops, which are employed only for attacking the enemy. The Arditi are generally transported to the scene of battle on horse and fling themselves into the midst of the fighting with a boldness bordering on foolhardiness, engaging in hand to hand fighting using in most cases only daggers. They are withdrawn again as soon as the position is conquered.

### 500 ITALIANS CIRCLE WORLD AFTER ESCAPE

DENVER, July 21.—Escaping from the Austrians and making their way through Siberia to Japan, 500 Italian soldiers passed through here last night en route to an Atlantic port, where they will sail for Italy by way of the Mediterranean.  
The men were captured by the Austrians while fighting on the Plave front and were impressed into service in the Austrian army operating in Russia. Several months ago they rebelled and marched north to Siberia and thence to Japan, where they were put on a ship and transported to an American Pacific port.  
The Italians told of their experiences from the Austrians, they said, some of their number having passed through here several days ago bound for an Atlantic port. They declared 7000 Italians have been forced to fight in the Austrian armies in Russia.
