O, BOY—LOOK WHO'S HERE!

LONDON, Aug. 12—"O boy! Look who's here—pan cakes, American style, with syrup!"

It was the cry of an American youth in khaki as he stood before the lunch counter in Eagle Hut the great American Y. M. C. A. center in London.

Y. M. C. A. secretaries in Eagle Hut declare that the cry must have been heard round the world. They haven't been able to supply the demand for pan cakes since that had in khaki uttered his cry. It became necessary to take 'em off the regular bill of fare.

In spite of this, thousands of pan cakes, with syrup, are daily served between meals.

The reason? They're like the ones mother cooks at home any thing that is a reminder of home and mother goes big wherever American soldiers and sailors congregate.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when the inflammation is not removed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. The F. J. CHENEY & CO., Toledo, O.
