# HALF THE WORLD, NINE-TENTHS OF POPULATION, FIGHTING HUNS

### -THREE STATES ARRAYED AGAINST HUNS

Nearly nine-tenths of the world is at war after four years of the great conflict for civilization, and a large part of the remaining tenth-which now includes Russis, nominally at peace—is torn by internal dissensions.

During this fourth year two new governments appear to have definitely taken their places among the nations. The Hedjaz, which began a revolt against Turkey two years ago, has been recognized by the Affles and is fightwith them, materially aiding in the conquest of Palestine and Mesopotamia. Finland, racially distinct, probably will never again be Russian. Nominally neutral, she is practically controlled by Germany. The fol-lowing is the way the world divides.

Two States have left the ranks of the Allies-Russia, through Bolshevik treachery, and Roumania, isolated and forced into a disbonorable peace as the alternative to annihilation. On the other hand, the defection of Russia has been more than made up in population by the entry into the war of China, Brazil, Liberia, Guate-

mala, Nicaragua, Costa Rica, Hayti and Honduras, the latter only two weeks ago. Thus 23 States are arrayed against Germany in comparison with 16 a year ago. The four Central American States had already broken

off relations with Germany a year ago, and there remain 6 States in that condition which have not yet

declared war. The neutrals number 22, against 19 last year, being

#### increased by Russia, Roumania and Finland. RELATIONS BROKEN

The grass is high around the step; Unpruned, the orchard trees Drop rosy treasures overripe,

A banquet for the bees.
The blinds half off their hinges awing.
The broken gate's alar,
But in the window hangs a flag
With one blue service star.

The pretty house across the way
Is kept with constant care;
The lawn is cut, the walks are trimmed,
The lawn is cut, the walks are trimmed,
The fences down, the shingles off,
A leaky roof o'erhead.
It means my man has gone to fight
For France and freedom rar

And left me here to keep the flag

That shows a service star.

And when the people pass along The road that runs between They do not glance toward the house Where all is neat and clean; My paintiess window bar, From which depends the sacred flag

With one blue service star. I'm proud because the weeds are thick,
