

# AUGUST CLEAN-UP SALE

## BEGINNING Saturday Morning July 17th

### We will hold the greatest Clean-Up Sale of Men's Apparel Including Suits, Shirts, Hats, Neckwear, Underwear, Bathing Suits, Valises, Collars, Boys' Suits, Waists, Etc.

Attempted in Pendleton in many a day. Our stocks are immense. The largest we have ever had. The assortments are most complete. The values will be a revelation to you. We offer all of this in the face of the most rapidly rising market the people of Pendleton have ever seen. Take our advice and BUY! BUY! BUY! You'll have to pay much more later.

#### REAL VALUES

It isn't always the price you pay that determines real values—sometimes excessive prices are asked for inferior quality merchandise. Nothing here is overpriced. For instance, if you spend 50c here for an article you can feel sure that you have received an article whose real value is 50c. You have our assurance for this. Proof positive will reveal itself upon careful inspection of our merchandise.

There never was a time when any one could really afford to pay more for an article than it was worth. But now it is trebly important that you receive 100 per cent value for every cent expended. Here you can find dependable qualities at prices that give you what you are entitled to.

#### HONESTY AND "COMMERCIAL HONESTY."

Time was when the distinction between these two forms of Honesty was great. Now, Honesty is Honesty without qualifications of any sort. This being applicable to business as well as other things, the term "Commercial Honesty" and its practice must be classed as old fashioned.

We deem it dishonest to exaggerate in our advertising. We tell you the real truth about our merchandise; describe it as closely as possible and present its good points. What the goods are worth is for you to determine and we believe you can do this best when free from the influence of exaggerated statements.

It would seem that people prefer this method of ours if we are to attribute our increasing business to it.
