On Second Trip.
Word was received Saturday by Mrs. E. Doherty that her son Ernest, who is now in the navy, is on his second trip across. He says he likes the life fine and never felt so well in his life.

Had a Big Fight.
Tom Farrow, it is alleged, was caught by his wife in a room on Thompson street with another woman Saturday afternoon. There was a fight in which Mrs. Farrow was whipped by the other woman, Mrs. Redford, and by the time the officers had rounded up the disturbers considerable blood had been spilled. All of the participants in the affair are breed Indians. When arrested Farrow had on his person a bottle of sure enough whisky (by the way, the first seen by the force for a long time), and he was placed under arrest, charged with being in the unlawful possession of intoxicating liquor. Mrs. Redford was charged with disorderly conduct. Both were released on bail, \$100 and \$25, respectively, while Mrs. Farrow declares she will take steps to secure a divorce. A trial of Mrs. Redford is being held this afternoon in the police court. There is some talk that cases may be taken up by the state authorities after the city gets through with them.

GUARDS SEEK FUNDS TO BUY UNIFORMS

Putting on Carnival Rather Than Ask County to Pay the Bill.

The Pendleton companies of the Umatilla County Guard hope to realize enough from the carnival which will show here this week under their auspices to complete their equipment with uniforms. The carnival and automobile sale conducted by them last spring netted enough to equip the first company. Co. C, however, was not organized until a few weeks later and no funds have been available since for purchasing their uniforms, though the organization has borrowed sufficient to send in the order. Rather than ask the county or city to pay the bill, they are bringing the Bernard Greater Exposition Show here for a full week.

The carnival will be held on the vacant block on East Alta street and will open this evening. Listed among the many attractions which make up the 26 cars carried by the company are the following: Huge Ferris Wheel, Over the Top, The Whip, Dare Devil Jackson in the Motorhome, The California Cabaret, The Athletic Stadium, where "Young Sampson" will meet all comers, The Miracle Show, with the girl with 1,000 eyes and the statue turning to life, Zome the Strangest Girl in all the World, the Palace of Arts, where reproductions of famous paintings are given by living models, The Honolulu Show, Spidora the Human Spider and number of other features.
