THAT CHANGE IN WOMAN'S LIFE

Mrs. Godden Tells How It May be Passed in Safety and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

Such annoying symptons as heat flashes, nervousness, backache, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound.

If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.
