Two Men Known Umapine  
Appear in Casualty Lists

(East Oregonian Special.)  
UMAPINE, Ore., Aug. 28.—In the casualty list of today, the names of Lieutenant Lee C. Lewis appears. Mr. Lewis had many friends in this valley as he was cow tester for the Walla Walla Valley Cow Testing Association prior to enlisting at the beginning of the war. Mr. Lewis was a Pullman University boy and was a son of Mr. and Mrs. Fred Lewis of Tumwater, Wash. His father is state secretary of the Washington state grange. His wife, whom he married after enlistment, is also a Pullman girl.

Also in the list of wounded from the western front appears the name of C. S. Reaves. Mr. Reaves was prior to enlistment, a dairy rancher near Umapine and is well known. His wife and baby left last Wednesday for his mother's home in Tenness.

Mr. and Mrs. Dale Wilder left this week for their home at Kinsey, Montana, after being here for two weeks, following the death of Mrs. Wilder's mother, Mrs. C. E. Simonds. Mrs. Parin of Seattle also left for her coast home Monday night. Mr. Simons will remain here for a while settling up business affairs. He has enlisted for service in Y. M. C. A. work in France and will be ready for his call shortly. His son Forrest, will remain with his father until he goes overseas.

Stanley Wright, a rancher living near Umapine, had a misfortune last fall. His last week when he took a trip to Pasco to visit with friends. Some time ago he bought a new Maxwell car from a friend who had two cars (new ones) and didn't need the four passenger car which he sold to Mr. Wright. When Mr. Wright drove into the Pasco garage, his car was seized and he was finally convinced

## LALLEY-LIGHT THE BALL-BEARING ELECTRIC LIGHT PLANT

Lalley-Light furnishes two sources of light and power in the one plant.

The machine itself is one; the storage battery is the other. Light used direct from the generator is as steady and strong and brilliant as from the battery.

This is an advantage not usually found.

It is due to the fact that the patented Lalley-Light engine is especially designed and built to drive an electric generator.

It is worth a great deal to the man who must have light and power that are wholly reliable.

We will demonstrate Lalley-Light, free. Call for the book of owners' testimonials.
