

SOCIAL AND PERSONALS

Surgical dressings work is to be resumed on the Monday following the Round-Up, September 25, when the class under the supervision of Mrs. Norborne Berkeley, is to meet. The present recess in the work must necessarily be followed by renewed efforts for completing the materials on hand and an earnest request is made for cooperation, both to members of the class and to volunteers, whom Mrs. Berkeley is always glad to welcome.

Tuesday evening more than sixty members of the Eastern Star enjoyed the hospitality of the officers of Bushes Chapter No. 15 at an "Howdy You Do" social. Members were present from Pilot Rock, Athena and Echo. During the social hours a musical program was given, after which the members were invited into the banquet room, where ice cream and fruit were served. This room was beautifully decorated with succulents of autumn, with golden glow and vines. One very pretty feature was the division of the banquet room from the other rooms by a screen made of sunflowers, lending its charm to the artistic decorations.

Mrs. J. B. Evans and daughter, Miss Bula Evans, were last evening guests of honor at a prettily appointed reception given by the Royal Neighbors of America before their departure for Oklahoma City where they are, in the

near future, to join Mr. Evans. The affair last evening was on the regular meeting date of the organization and was held in Moose hall. Many friends assembled to bid them goodbye and before leaving the hall enjoyed daintily served refreshments.

In addition to the complimentary reception and many expressions of regret occasioned by their intended departure the home received charming gifts as tokens of esteem. Mr. Evans left three weeks ago to exchange positions with Mr. Warren, who is in the postoffice here. Mrs. Evans and Miss Evans expect to leave Pendleton next Friday.

Daphne Circle, Women of Wood Craft met in Moose hall Thursday evening, Sept. 12 for their regular business and social sessions, and a very interesting session was held. Reports of the work for the year were given telling of what the members have been doing to help to win the war. \$700 are in Liberty bonds and the organization is buying war savings stamps each month. Also the knitting club reported having knitted 43 sweaters which were given to the home boys before they were sent across. At the close of the business session a very pleasant social hour was enjoyed, including refreshments by the Victrola. Delightful refreshments of wafers, marmellon and casteloupe were served

in the banquet room where the tables were beautifully decorated with pink and red roses and pink and white papers. A very pleasant evening was spent. The hostesses were Mrs. Rowland, Mrs. MacMasters and Mrs. Fallett.

Mrs. E. T. Avison arrived home this morning from a visit in Portland, Oregon City and Seattle, where she has spent the past three weeks and has been delightfully entertained. In Oregon City she was a guest at the home of her daughters and was welcomed by many friends in the city which was her former home. She also spent several days as the guest of her son, Ensign J. Rothwell Avison, who is stationed in Seattle. Mrs. Avison accompanied her husband to Portland at the time of the Elks' convention but Mr. Avison returned home the following week.

He enlisted as a volunteer private in the ordnance department, Vancouver, May 10 and went to Camp Hancock, June 22 to enter the Ordnance Machine Gun School. GERMANS STILL ABLE TO RETREAT

AMSTERDAM, Sept. 14.—A semi-official statement issued in Berlin regarding the St. Mihiel battle declares: "Enemy attacks which gained ground in the direction of Thiaucourt, until counter attacks checked them, were unable to prevent the carrying out of our movements according to our plans."

HAS FLOWER DAY OF OWN FOR BELGIANS

DENVER, Sept. 14.—The fund for the relief of the Belgian babies is today \$2 richer as a result of the patriotism of Ida Gasperetti, a little American girl of Austrian parentage, a resident of Hudson, a little Wyoming town. Monday's mail brought a money order for this amount from little Ida.

Two weeks ago Ida read about the sale of flowers conducted by Denver girls for the Belgian babies. Touched by its stories of suffering which have come across the Atlantic, she decided to have a flower day of her own. She gathered flowers out of her garden, made them up in bouquets and sold them to people of Hudson for 10 cents each. The money order represents the proceeds of her flower day.

"American socialist" has become almost a direct contradiction in terms. Mother is now established as the sleepless sentinel of the sugar bowl.

Our navy and army secretaries, and the President expect the church to do its specific work, and please God they shall not be disappointed. There can be no "world-wide democracy" unless based upon the Christian principles. To assist in lifting and holding the morale of the country attend some church tomorrow.

There is more Cataract in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Cataract is a local disease, greatly influenced by constitutional condition and therefore requires constitutional treatment. Hall's Cataract Medicine, manufactured by E. J. Cheney & Co., Toledo, Ohio is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system.
