KEEP YOUR LIBERTY BONDS

Hold fast to your bond. You invested to send the boys across. They are over now, at grips with the German monster. You expect them to hold on—hold on till the last vestige of autocracy is crushed out of him. Then you, too, must hold on—must keep your enlisted dollars invested on the firing line.

It isn't the hoorah of the campaign that wins the war. It's the will to hang on, to make sacrifice today, that tomorrow may bring victory.

Hold fast to your Liberty Bonds. Hold fast for the sake of the boys "Over There." Don't try to use your bonds to buy merchandise. Buy more Liberty Bonds.
