### WHEN THE WEST WIND BLOWS.

The West Wind sings as it sweeps  
 along  
 Where it plays with the  
 white-capped foam;  
 But it will not pause, for it hears  
 the theme of the song is—  
 Home,  
 and the West Wind whispers,  
 soft and low,  
 As of old in the lullaby,  
 and a father hears, as it starts  
 to blow,  
 The sound of a baby's cry,  
 Then he sends a kiss to his little  
 child,  
 And the West Wind bears it  
 home;  
 While a doughboy down in the  
 front line trench  
 Wings a prayer on the wind in  
 the gloom.  
 So these days the West Wind  
 bears a thought—  
 Don't you hear it over there,  
 O mother heart, and baby dear,  
 On the soft, sweet twilight  
 air?  
 And, woman God gave, don't  
 thou hear it, too?  
 For it goes like a dart to thee;  
 Mark! It blows on the path of  
 the sunset warm,  
 West bound on the eastern sea,  
 For the West Wind is the Home  
 Bound Wind,  
 And it blows with no variant  
 chance;  
 'Tis the Wind of Love in the  
 hand of God,  
 And it blows from the fields  
 of France,  
 —From the Stars and Stripes.

### WRITE TO THEM

ALL the people of Umatilla  
 county will take pride in  
 the list of men now in  
 the army and navy from this coun-  
 ty. We should do something  
 more than that. How do the  
 boys know you appreciate the  
 services they are rendering?  
 They are not mind readers?  
 Write to the soldiers. They  
 all say that letters from home  
 are more enjoyed than any-  
 thing they get. Put yourself  
 in their place and you will un-  
 derstand why. Remember this

also, that scores of boys from  
 this county have no relatives  
 here and few close friends to  
 write them. Don't let them go  
 unremembered. The man who  
 gets few letters will appreciate  
 them more than does the man  
 who gets many. Have you  
 thought how it would be to go  
 to France to fight and then  
 never get one personal word of  
 cheer from the county you  
 came from? There are prob-  
 ably boys from this county of  
 which this is literally true.

In the past it has been diffi-  
 cult for people to write to sol-  
 diers because of not having  
 their addresses. Realizing this  
 the East Oregonian months ago  
 started a move for the compil-  
 ing of these addresses. A card  
 index of every soldier is being  
 kept by Mr. Chessman, secre-  
 tary of the Patriotic Service  
 League. He has their address-  
 es as far as those addresses are  
 known. If you know of boys  
 not yet listed or whose address-  
 es have been changed give him  
 the correct address. He is al-  
 ways at the phone and the  
 number is 123.  
 It is up to you.

### WHERE THE MONEY GOES

FROM the beginning of the  
 war to June 30, 1918, the  
 last day of the past fis-  
 cal year, contracts were placed  
 by the Ordnance Department  
 of the United States totaling  
 \$4,300,000,000. The estimate  
 for the current year is over  
 \$7,000,000,000. The major  
 items of last year were as fol-  
 lows:

- Artillery, \$1,050,000,000;
- automatic rifles, \$300,000,000;
- small arms, \$100,000,000;
- artillery ammunition, \$1,900,000,000;
- small arms ammunition, \$340,000,000;
- small arms ammunition (practice) \$80,000,000;
- stores and supplies (personal, horse, and organiza-  
 tion) \$230,000,000;
- armored motor cars, \$100,000,000,000;
- total \$4,100,000,000.

Some other expenditures by  
 the War Department were  
 \$375,000,000 for engineering  
 operations, mostly in France;  
 \$37,000,000 for flour, \$145,000,000  
 for sugar, \$43,000,000 for  
 bacon, \$12,000,000 for  
 beans, \$9,000,000 for toma-  
 toes, \$2,000,000 for rice, \$47,500,000  
 for rolling kitchens, \$127,000,000  
 for shoes, \$565,000,000 for clothing;  
 for blankets \$147,000,000.  
 Some smaller expenditures  
 were over \$6,000,000 for axes;  
 \$1,635,000 for field stores; \$2,

## "THEN YOU CAN TALK PEACE"

700,000 for carpenter and  
 \$224,000 for blacksmith tools;  
 \$2,500,000 for shovels.

The department has bought  
 266,000 wagons and carts,  
 costing \$37,000,000; and 410,000  
 horses and mules, costing  
 \$99,000,000; food for them  
 cost \$62,000,000, and harness  
 \$29,000,000.

These are only some of the  
 figures. They seem large, but  
 not so large when it is remem-  
 bered that we have nearly 2,000,000  
 men in France and al-  
 most as many in training here  
 at home. All of this money  
 and all the other money raised  
 by the Liberty loans goes to  
 make our Army, our Navy, and  
 our people powerful and vic-  
 torious in their war for free-  
 dom and right.

"We've got the men, we've  
 got the ships, and we've the  
 money, too."

National guard divisions are  
 said to have participated in  
 the fighting to clear the St. Mihiel  
 salient. They are evidently  
 shock troops these days regard-  
 less of old time regular army  
 prejudice against the national  
 guard.

The 166th Depot brigade  
 band is a good band and the  
 music is all the better when it  
 comes from me who wear  
 Uncle Sam's fighting clothes.

The Germans and Austrians

on the west front do not get  
 along well together; when  
 rogues fall out, etc., etc.

They have secured a mental  
 expert to examine the king of  
 Bulgaria. If the Germans had  
 done that with their kaiser  
 years ago they would not be so  
 unhappy now.

The Russians made "peace"  
 with the kaiser and have been  
 paying indemnities in money  
 and in blood ever since.

The war does not afford jus-  
 tification for raising the price  
 of rooms on the visitors within  
 our gates.

The more bonds you buy the  
 more money you will have  
 when the war is over.

It is for the Red Cross this  
 year.

### 28 YEARS AGO

(From the East Oregonian, September  
 19, 1890.)  
 Pendleton's first cement pavement  
 is being constructed alongside of the  
 Savings Bank building.  
 John H. Bentley, the hotel keeper of  
 Walla Walla, is at his old home in  
 Missouri.  
 Wallace Abspaugh, Pendleton's  
 champion fisherman, went out near  
 the agency yesterday and brought  
 back his usual basketful of trout,  
 none of which measured less than six  
 inches in length.  
 All final reports of homesteads,  
 pre-emption and timber cultures can  
 be made before J. H. Bean, U. S.  
 commissioner, Pendleton, Oregon.  
 An old wire cable has been con-  
 verted into a hitching rack along  
 Cottonwood street.

### FRENCH AIR EXPERT TO TEACH U. S. AVIATORS

Capt. Jacques Boyriven is the  
 aviator detailed by the  
 French government to assist the  
 United States in perfecting its  
 aviation students. Capt. Boyriven  
 has charge of a squad of 24 at  
 Mineola. He has received every  
 honor possible from the hands of  
 the French government, including  
 the Legion of Honor.

All Thinking Humanity Backs Allies  
 PARIS, Sept. 19.—Premier Clemenceau told the senate the Allies  
 must keep on fighting until Germany  
 understands there can be no compro-  
 mise between crime and right.

"France desires the honor of ex-  
 pressing her gratitude to the splendid  
 soldiers of the entente whose efforts  
 are about to free the population from  
 subjugation to barbarism. We only  
 seek peace so that future generations  
 may be spared the abominations of  
 the past. Forward, then, to the lib-  
 eration of the people from the last  
 fury of a foul force. Forward to vic-  
 tory, the whole of France, and all  
 thinking humanity are with you."

### NOTED BARTONE SINGS FAMOUS SLOGAN SONGS

For Cramps in the Stomach.  
 If you have ever been doubled up  
 with cramps in your stomach, you will  
 be interested in the experience of  
 Charles Henry Oswego, N. Y., who  
 says: "About four years ago when  
 suffering from cramps in my stomach  
 and bowels, I used Chamberlain's  
 Colic and Diarrhoea Remedy. It is  
 by far the best medicine of the kind  
 I have ever used."  
 Mrs. Klein Recommends Chamber-  
 lain's Lintiment.

"I keep a bottle of Chamberlain's  
 Lintiment in the house at all times,  
 and have used it for years. It will  
 relieve rheumatic pain quicker than  
 anything I ever used, I have also re-  
 commended it to my neighbors and  
 friends, who have used it success-  
 fully," writes Mrs. N. M. Klein, Chillicothe, Mo.

Indigestion.  
 "A few weeks ago I used a bottle  
 of Chamberlain's Tablets when I was  
 having a bad spell of indigestion.  
 These tablets strengthened my stom-  
 ach and toned up my system gener-  
 ally. They are easy to take and most  
 effectual," writes Mrs. D. S. Dart,  
 Skaneateles, N. Y.

## Hun Boots, Belgian Babes

Crushed and bleeding in the ruin of its homes, its hospitals,  
 its schools and churches, Belgium has nevertheless been not the  
 weakest of the allied enemies of Berlin. Its sufferings have  
 united all humanity in its cry for redress, and its indomitable  
 spirit has roused the emulation of all its champions.

German "honor", killed by its revelation that it regarded a  
 sacred treaty as a "scrap of paper", has been buried beneath the  
 bloodied ruins of a neutral nation's shrines.

When the boots of the German superbeast welter in German  
 blood behind the Rhine, the Kaiser's dupes may finally emerge  
 from the self-hypnosis which made them think themselves "super-  
 men".

Reflect the measure of your disavowal of the Hun's rape of  
 civilization in your oversubscription to the Fourth Liberty Loan.
