**Albany Arrests Alleged Boy Robber.**  
 ALBANY, Nov. 8.—Anxiety as to the fate of his companion led to the arrest of Henry Putnam, 16-year-old boy, who says he is a resident of Kansas City, on a charge of trying to rob Lieb's bakery in this city Tuesday night. Raymond North, of the same age, who gave his residence as Jeffersonville, Ind., had been captured in the attempted robbery and while officers were looking for his companion, Putnam went to the sheriff's office to inquire about North and landed in jail

with him. The boys were observed trying to get into the bakery and chief of Police Smith captured North, Putnam, who was on duty watching at the end of an alley, escaped.

3 days when the doughboys started after him again. I see hundreds of them are just 15 year old boys. I was talking to one today who talked English, he was just a boy and he sure was glad to be in our hands. I can't see how they (the Boche) will ever stick it out through the winter. There are a good many Oregon boys around here; have been a good many from Portland but so far none from Pendleton. I saw the Judd boy on a truck when we were moving in here but have not seen him since; his outfit is right near here, but have not had time to look him up.

I do not think we will be on this front long and perhaps will go into a rest camp when we leave here. We have been on two fronts for about two months.

Well you can give every one my best regards and tell Edna and Herb that I will write them soon. How is John and James McNeerney. (There is a big gun shooting near here that shakes the whole shack when it goes off; it fires about every 3 minutes). Well I will close by sending my best your loving son.

Tom.

### AID FOR STRICKEN FAMILIES LACKING

The Nurse Survey Committee of the Red Cross is having difficulty in securing assistance for families stricken with the Spanish influenza, and if there are women who are willing to aid in such cases, the committee will be glad if they will telephone 460 to Mrs. Charles H. Marsh, Red Cross headquarters, who has this branch of the service in charge. The Red Cross is not urging any person to volunteer. It's duty only extends to calling attention to the situation. It realizes that many regard the disease as contagious, therefore fear it. Nevertheless the need is great, hence this notice. Umatilla County Chapter, American Red Cross, Phone 460.

### PENDLETON MAN IN FIGHT NEAR VERDUN

Mrs. M. J. Keating, 466 1/2 Webb street, has received a letter from her son Sgt. Thos. J. Keating. With the letter he enclosed the document appointing him a sergeant of the first class. The letter follows:  
 On the Western Front, Sept. 28, '18  
 Dear Mother:  
 I have not received a letter from you for a long time but expect one soon. We are on a new front and none of our mail has reached us from our old camp. We are near Verdun and have sure got Fritz on the job. We just got through thrashing him until we were tired in another place and came here. We were only here

"For six years we have used Dr. Caldwell's Syrup Pepsin in our family and feel we could not possibly do without it, especially for the children." (From a letter to Dr. Caldwell written by Mrs. Earl Cowell, Cement City, Mich.)

Children become constipated as readily as do their elders, and the result is equally distressing. Dr. Caldwell's Syrup Pepsin is ideal for children because of its pleasant taste, positive, yet gentle, action, and its freedom from opiates and narcotic drugs.
