

**"We'll Show the Boys Over There
That We're Good Sports Over Here"**

THANK GOD

It's over over there, but let's not forget that the boys are not yet over here.

Give in Thanksgiving

Give for the boys who have made possible this day of celebration. Give as you never gave before; give as you will never give again. Let your gratitude be measured in the dollars you give to the United War Work agencies who will look after our hero soldiers and sailors during the long wait for demobilization.

**There is Peace on Earth Again. Show
Your Good Will for Those Who
Have Brought It About.**

Umatilla County has a quota in the drive of \$45,000; Pendleton has a quota of \$21,650. These are minimum quotas and we are asked to over-subscribe 50 per cent. Let it not be said that in the hour of victory we are slackers in gratitude.

Give A Days' Pay

If you are a wage earner or a salaried man or woman, you ought not to contribute less than one day's earnings to this great fund which will be needed to care for the physical, moral and spiritual welfare of our fighters until they are brought back to the pursuits of peace. If you are rated for a specific amount, remember your rating is a minimum one and there is no bar to giving more. We have all had it easy over here and let's not begrudge those who fought for us the little our money can do for them.

Today is the first day of peace. Let everybody celebrate by giving as well as by noise-making.
