A New Kind of Thanksgiving

You've never seen just such a Thanksgiving as you'll have this year; you've never had so much to be thankful for, no matter what you've gained or lost in the past months.

This time Thanksgiving ought to be more than an expression of our personal gratification; it ought not to have any cloud of our personal loss.

Let us give thanks that the world is being made safe for Liberty, for freedom of conscience, for political restoration of the peoples of Europe. The greatest era has dawned; the greatest events of history are now moving.

We can be thankful that we have enough to eat; a good many people whose hunger is as real as ours, haven't enough.

Let us be thankful, too, for the brave men and women who have given all they have to winning the triumph of Liberty; those who may return to us; those who have laid their lives down.

Let us consecrate ourselves to the great cause of international brotherhood.

POSTAL SERVICE TO USE MOTOR TRUCKS

WASHINGTON, Nov. 26.—The post-office department is ready to take the man who has been piloting a motor truck over French shell holes, giving him a job at \$4 a day in his home town. Under the army appropriation bill, motor trucks, at the secretary of war's discretion, will be given post offices to be used in broadening the parcel post and city delivery systems. The postal service now employs 140 trucks on its "star routes" connecting all the important cities from Portland, Maine, to Chicago and from Chicago to New Orleans. The system now planned forms a network throughout the south and east of these general points. Reports show trucks operated in September earned a net profit of \$1999 each.

Americans Saved by Peasant Girl Who Travels Many Miles

VERDUN, Nov. 26.—Forty wounded American prisoners, abandoned by the Germans at a hospital after the armistice was signed, were rescued through the heroism of a French peasant girl, who walked 50 kilometers (nearly 30 miles), from Louvrey to Verdun, to notify American medical officers of the plight of the inhabitants in the village near the hospital. Exploring the hospital building, the girl was astonished to find the Americans on their cot, unable to summon aid. They were badly in need of food, water and medical attention. The wires were cut. Learning that there were Americans at Verdun, the girl started on her lonely hike through the war-torn country, meeting only liberated prisoners on the way. She arrived at the base hospital completely exhausted.

ROME WILL HOLD GREAT SERVICES ON DAY OF PEACE

ROME, Nov. 26.—On the day peace is signed the greatest Roman Catholic religious service in history will be held in Rome. Cardinal Gasparri, secretary of state of the Vatican, has invited the cardinals and patriarchs throughout the world to meet in Rome on that day to participate in a solemn ceremony at which Pope Benedict will preside in St. Peter's.

Germans Will Be Near By. PARIS, Nov. 27.—The Temps says that German missions which will take part in the negotiations of the peace preliminaries will not be quartered in Paris, but in the immediate vicinity of the city.

Chamberlain's Cough Remedy.
Do not imagine that because other cough medicines failed to give you relief that it will be the same with Chamberlain's Cough Remedy. Bear in mind that from a small beginning this remedy has gained a world wide reputation and immense sale. A medicine must have exceptional merit to win esteem wherever it becomes known.

About Croup.
If your children are subject to croup, or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy, and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully. Greatly Benefited by Chamberlain's

Tablets.
"I am thankful for the good I have received by using Chamberlain's Tablets. About two years ago when I began taking them I was suffering a great deal from distress after eating and from headache and a tired, languid feeling due to indigestion and a torpid liver. Chamberlain's Tablets corrected these disorders in a short time, and since taking two bottles of them my health has been good."—Mrs. M. P. Greenwood, Auburn, N. Y.

"GOTT MIT UNS" SCRAWLED IN WRECKED HOME BY HUN HORDES WHICH WANTONLY DESTROYED PROPERTY BEFORE BEING DRIVEN FROM CAMBRAI

This is the first photograph received in this country showing the effects of the German occupation of Cambrai. The furniture in the room the Hun horde wrecked in this home is a fair sample of what occurred all over the city before the invaders were driven out.
